At the Country Village  
5959 East 38th Street, Indianapolis

We are all planning to have a fun evening. Won't you join us? See the dinner reservation blank on page 4. February 10th is the reservation deadline.

## MARCH EVENT

Mark your calendar now for March 23rd. It will be the date of the first PCA gymkhana for '69. Watch for details in the March newsletter.

## JANUARY EVENT

What a delightful time everyone had at Kline's last month. "June in January" was a miniature Porsche Parade. Members started by receiving a chunk of clay from which a Porsche was to be modeled. This was concours. A tech quiz was given and for the autocross a slot car track was set up. Needless to say, a lot of partying went on, too. The films "Daytona 24 Hours" and "42 Porschestrasse" were shown.

Thanks to Dick Kline for providing the room, movies, and refreshments. CIR certainly appreciates Dick's generosity.

Overall "June in January" award winners were:

1. John Carmack
2. Werner and Ann Kunack
3. Wilbur and Sue Zobbe

HAVE YOU PAID YOUR PCA DUES ?

WANTED

CIR is in need of places to hold events, especially gymkhanas. For gymkhanas, an area large enough to allow the use of second and third gear is preferred. If you know of any place, please call either Jim Sandifer, 849-2098 or Werner Kunack, 846-3895.

TREFFEN

We have received a letter from Dr. Wm. Henry, Chairman of '69 Treffens, and contrary to the information published in the January issue of Panorama, there will be only one Treffen for this year and it will be leaving from New York on May 11. If you wish further information about the Treffen, contact Werner Kunack, 171 Pearl Street, Carmel, Indiana 46032, (Phone 846-3895).

HERE AND THERE

DICK KLINE has ordered a factory prepared 911T for racing. Lucky JIM OSBORNE. What a ride that will be!.....MIKE ROBBINS is sporting a new mustache and sideburns these days.....GEORGEANNA TUTROW has made reservations for the May Treffen.....We're all happy to hear that PAULINE BOWEN is feeling well again after a recent stay in the hospital. Hope to see you soon at our events Pauline.....Congratulations and best wishes to MEL RENTSCH and his new WRS.....BOB HUNT has a new 911S, lucky fellow!.....BOBET HAWTHORNE keeps requesting a tech session at their garage to put back together their Porsche. Seems CIR has many "basket" Porsches waiting to be put back together or partially put together Porsches. Let me see now, there's HAWTHORNE'S, ZOBBE'S, SANDIFER'S, KUNACK'S, BOWLBY'S, CARMACK'S, etc.....Road and Track (Feb. '69) did a recent survey among Porsche owners. The following excerpt was most interesting. "One owner of a 911 who says he drives very hard and shifts habitually at 6000 rpm had much less plug fouling than everyone forecasted but gets only 15-20,000 miles per set of tires!" Could this be the MAD TAILOR of CIR?.....RON and AGNES HOWE are now Porsche-less.

NOTICE

In order to make Jim and Kay Sandifer's job a little easier, please get checks for dinner reservations in on time. It is terribly inconvenient to have to go around collecting money on the night of the dinner. Also, we must pay for all dinners ordered and are sorry that checks cannot be returned to people who cannot make it to the dinner at the last minute.

NEW MEMBERS

CIR welcomes MIKE and SHARON COOPER and their 912 from Zionsville. We were pleased to see the Cooper's at the January event and hope to see them regularly in the future.

ANNOUNCEMENT FROM MID-OHIO REGION

The following message has been received from Mid-Ohio Region: "All PCA members are urged to be on the look-out for the following car: 1969 911E Targa, Tangerine, Serial #119210095 and Motor #629-0205, bearing Ohio license D-18301.

This is the fourth Porsche stolen in the Columbus area in recent weeks. (It is suggested that owners use extreme care in parking and locking their cars at this time).

It is possible that the car may be dismantled for parts and anyone seeing the car or being approached from any source with an offer of parts, is urged to call the Carriage House collect immediately (telephone 614-267-4235).

ALL IN A NIGHT AT KLINE'S

Guess who had the highest score on the tech quiz? DICK KLINE, our VW-Porsche dealer and host at the event.....We were happy to welcome JEFF WENDELL member of Eastern Pennsylvania Region who is currently stationed at Ft. Harrison.....DENNY and JACKIE DWYER came looking a bit exhausted. Seems their 9 month old daughter is now walking and keeps her mom and dad "running"... ..MIKE and SHARON COOPER spent the evening working hard on their clay model and ended up with an excellent replica of a 912.....TOD WELLINGTON insisted the '69 Porsche Parade was going to be in Kokomo, Indiana (on tech quiz) even though LANA kept telling him Anaheim had already been selected.....PERCY and DEBBY SNYDER came all the way from Greencastle, ALTON and OLIVE DICE from Peru, and TOD and LANA WELLINGTON from Anderson. We appreciate these long distance travelers.....WILMA and GEORGE ROBBINS kept insisting WERNER KUNACY'S clay model of a 356 really looked more like a VW. However, Werner assured Wilma that there was a Porsche engine inside. Also, JEFF WENDELL made a dune buggy from his clay making sure everyone understood there also was a Porsche engine in it.. ..We were happy to see guests DON and MAGGIE RAMSEY from Indianapolis and JON SAMPSON. Jon is currently stationed at Ft. Harrison. Come again all!
