FEBRUARY EVENT

Social: Fun and Games
Friday, February 20th
The Community House,
Parc Bordeaux Apts.
1053 Raymond
BYOB

This month we'll be gathering for a fun-filled evening of socializing and some surprising competition events. An entertaining time is promised, so come on out and encourage prospective members to come along.

Directions: Take I 465 to the Thompson Rd. exit, go south to Thompson Rd. At T turn right or west, Parc Bordeaux is the first Apt. Take first road into complex, jog to right into parking lot in front of the community house.

MARCH EVENT

Technical Session at the home of Werner and Ann Kunack, Sunday Afternoon, March 22nd. More information next month. Mark this date on your calendar now, and plan to attend.

OPEN HOUSE: KLINE PORSCHE-AUDI

The first event of the New Year, along with a short but welcome let-up in the sub-zero weather plaguing Indiana, brought out quite a large gathering of Porsch-Pushers to admire and discuss the new 914. Our affable host Jim Osborne, Jim Farmer, and Bill Farr answered our many questions readily and informatively and even favored several members with a test drive.

Reactions from the members were mixed and although it may not serve all our individual purposes, the 914 is going to be a great two-seater.

Thanks to Dick Kline for his hospitality and all those good refreshments. Those of you who stayed away missed an enjoyable and enlightening evening.

ACTIVITIES QUESTIONNAIRE

Just a short reminder, Will Zobbe tells me we've had about a 30% response from the questionnaires sent out last month. The more we get back, the better we can plan events to interest everyone. So take a few minutes and fill it in, it's painless, really!!

PCA CIRCULARS 1968-69

Thanks to Ann Kunack for two years worth of interesting newsletters. I hope I can keep them coming so regularly and informatively. She even had to put out two issues during the process ofiving.

Any ideas, notes of interest to members, want ads, etc., from our readers will be more than welcome. Call anytime or drop me a note. Thanks.

1957 1600 Super Speedster. Excellent mechanical condition and excellent body. Beautiful silver laquer paint with black interior. Very solid body. Original Speedster seats in very good condition. Almost new Dunlop tires. Car is in original condition with no modifications. \$2500/offer.

1963 356B GT Coupe. Excellent condition. Set up for racing or autocrossing. Would make a wild street car. Very light. Has rare GT Body with Aluminum panels, plexiglas windows, factory roll bar, large competition gas tank, and Speedster bucket seats. Exterior is painted red laquer, and interior is black. No rust. Wide wheels with wide Firestone Indy tires. Very expensive transmission with BBE3C close ratio gears and limited slip differential. Adjustable shocks. \$2800 with stock 1963 Super Engine or \$2300 less engine.

Must sell above two Porsches to make room for new 904 purchase.

HERE AND THERE

Among those curious people at Kline's Open House were the ZOBBS, ALLGOODS, KUNACKS, HUNSILLS, SANDIFERS, SHYDIERS, HAWTHORNES, DICES, the GEORGE ROBBINS, COXS, COOPERS, and MIKE ROBBINS, JOHN CARLACK, CARL SHIPP, MARSHA YOHO, ERWIN DOLLINGER, GEORGEALMA TUTTOW, JERRY MASON, and KEN WILHITE.....BILL and BOBBIE HAWTHORNE came in their recently reassembled Tangerine 356, making its first appearance at a PCA event, it looks great, sure hope they change their minds about selling, I know a lot of time and hard work has gone into restoring it. KEN WILHITE is back in our midst after a long absence from PCA with his newly acquired Speedster, which he's considering selling soon..... The REWISCHES will soon be picking up their 1970 911T Targa.....We're sorry to hear that the GEORGE ROBBINS will be prting with their Porsche.....GENE and JOAN DODD were in Florida last weekend at a Driving School.....The KUNACKS are finally in their new house, they've had a few problems along the way, but I can tell you after seeing it, it was worth it, they certainly have a beautiful home.
