

FEBRUARY 1970

MARCH EVENT

Technical Session

Sunday, March 22, 1970, 1:30 PM

At the home of Werner and Ann Kunack
10423 White Oak Cr., Carmel

Circular

At this tech session we will install a new clutch in a 356C, and if time and enthusiasm permit, there is also a four cylinder engine to be torn down. According to the questionnaire results there was much interest expressed in tech sessions, so we're looking forward to seeing a large number of tinkerers. Beer, soft drinks, and snacks will be available. We've talked with several people who actually forgot the date of the February event, so mark your calendar now; don't let this happen to you. Kunack's highly recommend parking in the street or drive to avoid getting stuck, as their yard has not been graded.

Directions: Keystone Expressway (431) north; east on 106th Street; right at first street, White Oak Drive; keep right at jog, the name is on the mailbox across the street from the house.

FEBRUARY FUN

Friday, February 20th, found a lively group of Porsche Pushers gathered at the Club House of the Parc Bordeaux Apts. The evening got off to a rather smoking start, as fireman John Carmack didn't know the flue on the fireplace was closed, but things "warmed up" quickly. As usual the men and women soon separated; the men telling tales of their machines (some true, some not far from true), the women of kids, crocheting, and covering cracked Porsche upholstery. The fun and games included a little dart throwing, some brain-teasing number and slight-of-hand tricks by Gene Dodd and Mike Cooper, and several rounds of bingo. Gene Dodd won a crock of cheese for solving the tedious colored block puzzle. Bingo winners were Will Zobbe, Sue Allgood, Kay Sandifer, and Sharon Cooper, one game each; Jim Sandifer, and Mildred Palmer (guest) each won two games, and Doris Kenninger won the largest pot of the evening. Members present were Mike Robbins, John Carmack, Rolene Coyle, the Dodds, Allgoods, Zobbes, Dices, Sandifers, Kunack's, and Coopers. Many more had indicated in the activities questionnaire interest in social events. Where were all you people? You missed a real fun-type evening.

PREZ SEZ by MIKE ROBBINS

There is a National Board of Directors meeting on April 4. I haven't seen the agenda yet so I don't know what specific subjects are to be covered. Please contact me if you have anything that you feel should be discussed.

The February issue of Panorama carried a mention that copies of the Parade Competition Regulations are now available for purchase from the Executive Secretary's office. Anyone planning to compete in the Parade events should obtain a copy of these rules. Car Classification, penalty systems, etc. for the Concours, Rally, and Autocross are included.

Have you renewed your membership? There will be no second billing. If you failed to receive a billing or have misplaced yours, contact the Executive Secretary's office as listed in Panorama.

HERE AND THERE

Early bird GEORGEANNA TUTROW has received her confirmation for the Porsche Parade already and will be sporting car number 10 at the annual event. Now's the time to get those reservations in for NOR'EAST '70, let's have a good representation from CIR.....Our illustrious President is busy at work preparing to repaint his 904..... ROLENE COYLE and her guest at last month's social event, MILDRED PALMER, are anxiously awaiting the arrival of their new 914's.....Perhaps fireman John could tell us what happens when you lean over too far to put a log in a fireplace!....At least 10 Porsches were present for the first Solo II (Gymkhana) of the 1970 SCCA season last Sunday at IRP. PCA members who trophied were MIKE ROBBINS, 1st in A Production; ERWIN DOLLINGER, 1st in C Production; WILL ZOBBE, 2nd, WERNER KUNACK, 4th, MIKE COOPER, 5th in E Production; ANN KUNACK, 3rd, SHARON COOPER, 2nd in Ladies under 2 liters..... Future Gymkhanas: March 8, Modern Muncie Speedway (SCCCI); March 21, IRP (SCCA).

MEET AND EAT

By far the greatest positive response in the activities questionnaire was for a monthly non-meeting dinner gathering. Anyone having any ideas as to an appropriate place please contact Will Zobbe, we're anxious to get this set up. All this interest looks good on paper, let's see if we can put a little of this enthusiasm into practice.
