MAY 1970

JUNE EVENT

Pitch-in Picnic and Concours
At the Dodd's 8225 Conarroe Road
(8200 N., 6800 West, off #100)
Indianapolis
Sunday, June 14, 1970 - 2:00 PM

Perservering Joan Dodd, who worked so diligently planning the May event, only to have it cancelled because of a complete lack of response from the St. Louis region, is not giving up. She's invited us all to her home for a picnic. \$1.00 per person (under 6, free) provides all beverages, meat course, table service, and prizes. Bring your choice of a covered dish, vegetable, salad, or dessert. Call Joan Dodd, 293-4644, for details. Please call as early as possible so we can plan a better menu and purchase the necessary quantities of meat, etc.. There will be some items you can bring, even if you are unable or unwilling to cook!

Games and activities will be provided for big and little children. (Dale and Larry generously offered to entertain all the teenaged girls, and their dad plans to entertain all the others.) All ages welcome, but you should be advised that small children will require some supervision because of the surrounding woods.

"CONCOURS PETITE"

Bring out your favorite Porsche, polish it up, and park it for our inspection and be eligible for a prize in one of three categories. Equal opportunity for all!

Class #1: Most Elegant - Best overall condition, age and mileage considered.

Class #2: Most Venerable - Oldest running Porsche, appearance and condition counts only in case of a tie.

Class #3: Popular Choice - Porsche people's favorite for whatever reason.

Consolation Award - Car receiving fewest votes shall be awarded a consolation prize.

All categories will be judged by popular ballot.

Cars may receive votes in more than one category but are eligible for only one award.

Concours Committee will arbitrate the results of the voting.

ALTON DICE

A lot of time and effort have gone into PCA events since the club's beginning, and sometimes the people in charge have been disappointed at the attendance. There was always a bright spot, though. No matter what the event, no matter what the weather, PCA could count on at least one couple showing up. Rallies, gymkhanas, tech sessions, tours, or socials -- you knew the Dice's would be there. Alton and Olive's red 356 coupe was seldom a first-place winner, but it carried more than a few trophies home to Peru. At their last event, the mini-economy run, they chose a can of Classic Car wax -- Olive's job was to polish while Alton took care of the mechanical workings.

The ride to Peru, whether from Indianapolis, Clifty Falls, or Elkhart Lake, never seemed to dismay them. Only a family crisis or a fishing vacation would keep them from a Porsche gathering.

For several years the Dice's belonged to the Hoosier Auto Sports Club which centered around Peru and Bunker Hill Air Force Base. They were responsible for introducing many people in the area to the fun to be had with sports cars.

One event dear to Alton's heart was the Lilly Motor Club's Braille Rally. He had never missed one, and this tenth annual event was to be no exception. They had registered and were on their way for coffee and doughnuts when Alton suffered a fatal heart attack.

Those of us who knew Alton know that PCA-CIR could not have had a finer member. Those of you who didn't know him -- well, you really missed something. Everyone's sympathy is with Olive -- she has been as avid a Porsche enthusiast as Alton was.

It has seemed that there should be some fitting tribute to such an outstanding member -- something that would have a lasting meaning to Olive and the rest of the members. We feel that there should be a permanent award given each year to the PCA-CIR member who best exemplifies the enthusiasm shown over the years by Alton Dice. It, of course would be named for him and would be chosen by the board or membership by ballot. Funds for the award would be donated by anyone who wants to contribute.

RACE REPORT

PCA-CIR racing team had a very good showing at its first regional race this year. May 2nd and 3rd found our team at Blackhawk Farms, Illinois. Mike Robbins in his B-Sports Racing 904 had to bump up to A-SR and came in first in the class and 5th overall in that race. Will Zobbe in his 356 Cabriolet took 5th in EP and 10th overall out of 19 starters. Gene Dodd in his new 911 took 3rd in CP and 4th overall. This weekend they're returning to Blackhawk and hope to do as well if not better. Allgoods and Coopers are going along as crew. GOOD LUCK GANG.

NEW MEMBERS

Mr. John F. Stroup, 1102½ S. Walnut St., Bloomington, Indiana

Mr. Reginald Cheatham, 3226 N. Riley Ave., Indianapolis, Indiana

Mr. Terrell K. Higgs, 648 N. Boston Twp. Line, Richmond, Indiana

Mr. Louis Henry Schwitzer III, R.R. 11, Box 203A, Bloomington, Indiana

Mr. Michael D. Brumback, 5303 N. College Ave., Indianapolis, Indiana

Mr. Ronald B. Lee, 2401 S. Dixon Rd., Kokomo, Indiana
