JULY 1970

## AUGUST EVENT

Fun Rally and Picnic  
Sunday, August 23, 1:30 PM  
Rallymaster: Mike Robbins

This event will start from the Augusta Plaza Shopping Center. This is on the northwest side of Indianapolis at the northeast corner of U.S. 421 and W. 71st St. After covering approximately sixty miles, the rally route ends at the home of Phil and Sue Allgood for a picnic. The only equipment needed for the rally is pencil and clipboard. Bring your own food and service for the picnic. Beverages will be furnished. There will be a \$1.00 entry fee per car.

## SEPTEMBER EVENT

The Annual Zone 4 Mini-Parade at Siebkin's Resort, Elkart Lake, Wisconsin will be held September 11 - 13, the weekend following Labor Day. Many regions within the Zone are represented as well as some outside Zone 4. Chicago region is the host for this fun weekend. Activities begin with a low pressure event on Friday night. Saturday the leadfoot or feet in the family can run their Porsche on the Road America track, a four mile road course, in preparation for Sunday's Autocross. The track is usually open all day Saturday so everyone can have plenty of track time. Last year there was a Concours on Saturday evening. There are always many well shined Porsches so if you're a camera bug, here's your chance to record some super clean cars. Siebkin's is an old but well-kept resort with lots of character and the meals served are really "worth leaving home for". There will be more information in next month's circular, the exact format for the weekend, when and where to send reservations, but plan now to attend as reservations might be due around the first of September. If next month's circular is as late as it usually is you will probably have to act quickly to get reservations in on time. So once again plan now to attend. You new members and old ones too who've never been to this event ask anyone who's gone in years past, I'm sure they will try to sell you on this one.

S.E. MICHIGAN REGION AUTOCROSS

September 5th and 6th, the Labor Day weekend is the date of the Autocross Drivers school and Competition at the Waterford Hills Road Course. Here's another opportunity to learn the finer points of handling your Porsche at speed. The two-day event will be broken down into lecture, instruction, and practice on Saturday the 5th, with some practice and timed runs on Sunday the 6th. Emphasis will be on providing you with the type of instruction and driving experience which will be of value in emergency situations on the highway as well as to help you bring some trophies home from the weekend autocrosses. For registration information call Mike Cooper 873 3431 or Mike Robbins 293 1600.

HERE AND THERE
