CIRPCA President's Message October 2010

Hello CIRPCA Members! The changing of the seasons and temperatures can't be all that bad. When you look at our calendar through the end of the year it would appear that we tend to enjoy each others company even more as the leaves start to fall and the firewood is split and stacked. October brings two breakfast opportunities, a Ferrari and Friends gathering in Ft. Wayne, a winery tour and the Pumpkin Run on October 29-31.

Two more breakfasts in November and then our Annual Banquet on November 20, 2010 at a location yet to be announced – but do hold the date. Our annual meeting is held for the purpose of electing your new officers for 2011 as well as a great excuse for rehashing 2010 and presenting a few acknowledgements and attaboys. The food will be great so put it on your calendar and we'll get you the address and directions.

December 12, 2010 is our Holiday Brunch at Fort Benjamin Harrison where the buffet line is as long as hole #5 but without the hazards. It's a gift exchange and you'll hear more about that when we get closer, but again, please mark your calendar and join us for a festive event.

Your club needs to take this opportunity to thank Ron Carr, our Zone 4 President and his wife Constance for joining us in New Harmony, IN for Bob and Brigitta Snider's Kunstfest tour. They drove in from northern Ohio and were joined by others from Ohio and Michigan plus many of your members from around the state.

Join us and enjoy your club. All these activities are for you and we're looking forward to seeing you there. Call us if we can help you choose an event that is just right for you.

Meanwhile, have a great day, a better tomorrow and a clear safe road in front of you.

"The Chuck Langeskamp Memorial Press on Regardless Winery Tour" October 9, 2010

This long-running event was formerly known as the Huber Winery Tour. It was renamed in honor of Chuck Langsenkamp, who organized and ran the tour for twenty years. This is the last road trip event of the year for CIR. Last year 30+ cars from our Region met at the winery with PCA members from the Kentucky and Southern Indiana Regions.

The tour will start with a breakfast brunch served at the Brown County Inn, outside Nashville, Indiana. After the meal the route continues south to the Huber Winery near Starlight, Indiana. Drivers will find the well paved State Road 135 both fun and challenging. Please plan on a full day for this event.

Meeting Point: This year, in a break from previous tours, the rally point will be at Brown County Inn (<http://www.browncountyinn.com/>) on Route 135/46 in Nashville, IN. Please click [here](#) for a map to the Inn.

Sign-In and Drivers Meeting : 9:30 AM in the Brown County Inn parking lot. Route instructions will be given out at the driver's meeting, which will start at 9:45. You must sign the waiver and present your driver's license to receive them.

Brunch at the Brown County Inn: After the driver's meeting at approximately 10:00AM.

Winery Visit: Plan to arrive before 2:00 PM. All registrants will be entered into a drawing to win bottles of wine or gift certificates. The drawing will be held in the lawn parking area. You must be present to win.

Entry Fee: \$10 per person. Because of the exorbitant credit card processing fees our club's website charges us, we are doing registration a little differently. It is a two step process. Register using the **Click here to register** link at the top of the [web page](#) so we know how many individuals are attending the event. After completing the initial step please return to the [same page](#) and use this [PayPal link](#) to complete the registration process.

Best New Harmony Weekend Ever! by Bob & Brigitta Snider

With 32 members in 16 cars attending from all over Indiana plus Michigan and Ohio, this had to be the best New Harmony Weekend ever. The weather was great and the cars were as varied as one could imagine with many different colors and models ranging from a 1974 Sunflower Yellow 914 1.8 and two earlier 911's to the latest 2010 black Panamera S. Several Boxsters, a Cayman S, two Turbos, many newer 911's and a couple of 928's rounded out the show of cars. We even had our PCA Zone 4 Rep. Ron Carr and his wife Constance join us from Columbus, Ohio!

Under Brigitta's watchful eye, Bob Snider welcomes 2010 Kuntsfest Tour members.

The Kunstfest had a record 100 vendors of every description, selling homemade crafts and foods of every kind, including kraut balls (I'm guessing those are deep fried sauerkraut balls!), barbequed everything, bratwurst, pork chop dinners, chowder, fruit smoothies, kuchen, cider, homemade onsite apple butter, apple dumplings and slow churned ice cream. The music was as varied also with two dulcimer bands (one was an authentic mountain dulcimer band), a re-enactment Civil War band, a bluegrass band, the Wolfgang Classical Wind Ensemble & Singers and the Rhine Valley Brass Band (I think it was a full orchestra!) provided German favorites at the German Tent.

The 914 won Best of Show honors in the Sunday Car Show, shown by new members Bob and Janette Evans of Linton, Indiana. This was their first PCA event and Janette mentioned that she had

The favorite car in the show, the 1974 914 1.8 of Bob and Janette Evans

bought the car new in '74 and recently had it repainted and it looked in perfect shape. The 36 year old car performed flawlessly the entire weekend. Hank and Lori Riley's beautiful dark green 2002 911 Carrera 4S track car took second place with Scott and Pam Ferguson's wild gold-colored Turbo taking third place. Long Distance went to Heinz and Claudia Hilderts in their red 2001 Carrera 2. Heinz and Claudia drove all the way from the Detroit area and the Southeast Michigan Region.

Heinz and Claudia Hilderts from Michigan

Heinz escaped from East Germany in 1948 as a young boy along with several members of his family. He regaled us with his many stories of life in Germany back then and now.

Another car of note in the show was Peter and Betsy Freed's 2008 Seal Gray Cayman S which was previously owned by the former American President of Porsche AG in Germany, Peter Schutz. Peter and Betsy recently moved back from Florida to Springfield, Ohio and Peter found

the car at Brumos Porsche in Jacksonville, Florida and the condition was perfect. The car was specially built for Mr. Schutz as part of his retirement package. He gets a new Porsche every two years! I still have a letter from Mr. Schutz, confirming his being our featured Guest Speaker at our very first Porsche Indy 500 Banquet back in 1988. Mr. Schutz was from Indiana, went to Purdue and had many connections here, having previously worked for Cummins in Columbus. He resigned from Porsche in Dec. of 1987 and we lost our guest speaker.

Thirty of us sat down to a wonderful dinner at the famous Red Geranium Restaurant Saturday night in the Paul Tillich Refectory Room. Peter Freed said it was the best dinner he had had in a long, long time and everyone seemed very pleased from a night to remember. I passed out the keepsakes from the weekend during dinner, which were made by Harmony Pottery – handmade stone-ware food tiles which can be used to keep food (rolls, etc.) warm or cold during a meal. They matched our Car Show Trophy coffee mugs in colors and design.

After dinner, about 16 of us ventured out on a night walk of the illuminated Paul Tillich Memorial Park, the world famous Roofless Church designed by Philip Johnson, Carol's Memorial Garden and the Cathedral Labyrinth. Another 20 took the docent-led New Harmony Historical Sites walking tour during the Kunstfest Saturday afternoon. Were these the same people, I wonder? History buffs, romantics or both?

Member cars on display Sunday morning

Jim Arata celebrates arriving at the center of the labyrinth - without cheating!

We ended our New Harmony visit around noon on Sunday with a tour of the recently restored 200 year old Harmonist Labyrinth garden maze and Jim Arata of Fort Wayne won the difficult task of finding his way all the way to the center. Good show!

From there we left for a short driving tour of the Evansville Riverfront Esplanade and the Aztar Casino with its adjacent Miss Evansville Riverboat, ending

in Historic Newburgh along the Ohio River for lunch at the Edgewater Grille. There we were met by an amazing turnout of Southern Indiana Region member's cars and guests. Here we saw more beautiful cars, including a beautiful all-white Carrera GT3 and a brand new white Boxster Spyder. SIR President, Mark Roethemeier, did a great job of organizing his troops and joining us for lunch. They even commandeered a very convenient parking lot to show all our cars in. The restaurant counted 52 patrons in our West Room and seated in the overflow bar area with a great view of the river. Definitely a record turnout! We'll see some of them again on the Huber Winery Tour on October 9th. Thanks for coming, SIR!

After lunch, 26 of us ventured east along some great sports car roads, namely Ind. 66 & 545, to St. Meinrad Seminary and Archabbey for a very thorough tour of this beautiful facility by Brother Monk, Maurus Zoeller. I think we saw every accessible room, church and chapel the huge complex, some over a hundred years old.

On the road again to the Saint Meinrad Archabbey

Saint Meinrad Archabbey

Along the way, Bro. Maurus injected his unique blend of humor and gave us quite a lesson in Christianity. He even gave us a short test on early Christianity: Do you know who the 4 Prophets were? We got a couple of them right and he blessed us all as we left to go on our separate ways back home.

What a spectacular way to finish such a wonderful Porsche weekend with all our new friends! Everyone was new to the New Harmony event this year with a lot of new members attending their first event. We hope to see you all back on future CIR events. Brigitta and I hope everyone had a great time and remember in just five years we will repeat it all over, once again. See you in New Harmony in 2015!

Matthias Müller Takes Wraps Off New Porsche Speedster

Stuttgart - September 29, 2010 - Matthias Müller, the new Chief Executive Officer of Dr. Ing. h.c. F. Porsche AG, Stuttgart, unveiled the new Porsche 911 Speedster as well as the 911 Carrera GTS Coupé and Cabriolet models at the Paris Motor Show on Thursday, September 30.

An event organised by the Volkswagen Group on the evening before this autumn's leading motor show opens its doors will also see the official handover of responsibilities on the Porsche AG Board of Management. After a successful tenure Michael Macht will symbolically hand the Porsche steering wheel to his successor Matthias Müller. Matthias Müller's assumption of office as Chief Executive Officer coincides with three world debuts.

Only the fourth Speedster to have been built in Porsche's history is a model steeped in purist tradition and reflects the forward-looking nature of the brand, while the new Carrera GTS range with wide body and rear-wheel drive underscores all this.
