## June 2011 CIRPCA President's Message

Congratulations to you, the membership of the Central Indiana Region of the Porsche Club of America, for reaching this benchmark milestone of your celebrated existence, your 50<sup>th</sup> Anniversary. June is the month we have selected to celebrate the occasion, providing the opportunity for good weather to encourage your attendance at our outdoor gatherings, as well as the pre-vacation time of year that hopefully allows for the largest possible attendance for the many choices of activities that we have placed in front of you.

This is an appropriate time to be thanking Mike Robbins for his early vision, effort, leadership skills and enthusiasm for the Porsche automobile which have provided us with this opportunity for celebration. It was in the fall of 1960 when Mike started campaigning PCA members in the Indianapolis area to consider forming a local region that would be more accessible and convenient than the Chicago Region to which their memberships had been assigned since 1959. Mike and other enthusiasts developed a list of over 100 names from sources not so readily available to access interest and to set in motion an exploratory meeting that was held on January 20, 1961. Mike found success early as 75% of those invited elected to brave the wintry elements to hear the compelling story of organizing a regional charter under the banner of the Porsche Club of America. Fortunately for all of us, Mike's vision and organizational skills followed through to put in place all the structural details to allow PCA to grant our regional charter on March 17, 1961.

Let us all take a moment to consider, remember and extend our gratitude to your clubs original charter members:

Earl Blakely	Benny Bowen	Reginald Bruce	John Carmack
Murray DeArmond	Ronald Deem	Robert Dender	Jerry Dick
Vincent Disborough	John Durham	Ralph Fox	James Jobes
William Keller	Fred Lawrence	Robert Lewis	Mary Lou Mason
William McCosh	James Moneyhun	Otis Moneyhun	Jack Moore
Ray Neal	Harry Palmer	Joseph Quigley	George Robbins
Michael Robbins	Stewart Roberts	James Sandifer	Georgeanna Tutrow
Keith Tyler	Stafford Zerr		

Special recognition certainly seems appropriate as we seek out those original charter members who have maintained their active membership with CIRPCA for the entire 50 years:

Mary Lou Mason

Michael Robbins

Georgeanna Tutrow

Thank you to all the charter members and especially to those who have elected to stay with us for all those years. In particular, Mike Robbins needs to be recognized again, not only for his efforts to get your club off the ground, his long time active support and nurturing of CIRPCA but also for his visibility nationally. We recognized Mike two years ago with an award for his 50 years of participation and attendance at the annual Porsche Parade. He has also served as National Secretary, Zone Representative, Committeeman for the Parade Competition and Chairman of the Parade Competition Rules Committee. He has also been involved in SCCA and IMSA racing forming a race team in the early 70's under the name of "Rennstall Alterschwach" – loosely translated into German from "race team weak from age".

Over the years your club has been led by hundreds of well meaning and hard working volunteers - board members, officers, event chairs, instructors, observers, inspectors, timers and the list could continue on to fill the rest of this newsletter. You have been served by 32 elected presidents who have personally accepted the responsibility of shepherding this organization into the future as a relevant and improved vibrant community entity with an up to date purpose and an ear to the suggestions of its members. Through the years the structure and systems put in place by those preceding us seems to have worked and this month we celebrate the anniversary of those formative events.

Please take some time, right now, to review the variety of offerings available to you on June 17<sup>th</sup> through the 19<sup>th</sup>. Sign up for one event, some events or all of them. There will be an entirely new committee and board to facilitate your next 50<sup>th</sup> anniversary and you may like what they have to offer. For myself, however, I will take advantage of the menu before me and the fun and excitement that will unfold for my family and friends as we come together for all the activities of a lifetime.

Reflected in this month's calendar is the embodiment of the PCA motto, "It's not the cars, it's the people". So stand with us, sit with us, dine with us, ride with us and share with us the joy and spirit of this historic occasion.

Until I see you at all the events, have a remarkable day, a great week and a fantastic ride in that unbelievable car of yours.

## Adopt-A-Highway

The Adopt-A-Highway program is the latest CIR philanthropic activity. This began with the clubs' adoption of the two mile stretch of highway on Meridian Street between 96<sup>th</sup> and 116<sup>th</sup> streets. Our commitment is to keep this outside area (no median cleaning) of this section clean to enhance the visual experience for drivers on the corridor with the bonuses of making it safer for drivers and easier for the mowing crews. What other club knows more about an enhanced driving experience that Porsche owners.

The initial club commitment was satisfied on May 7, 2011. The volunteers were Candice Shuck, club President Don Shuck, club Secretary Bob Snider, Membership Geoff Kapke, Steve Tar and Webmaster David Weaver. The few hours it required were more than made up for by the satisfaction of giving to the community, not with money but with something more valuable: personal time.

This kind of philanthropic activity displays the true spirit of the CIR. It displays our commitment to the highways on which we all love to drive by making them more attractive and safer. It also demonstrates the environmental consciousness of *the car club*. This environmental commitment is becoming an expected standard attribute of both corporate and non-profit organizations. This particular corridor is travelled by more than eight million cars a year. With

each visit, they are able to see the organization that helped bring out the true beauty of Indiana nature and the demonstrated commitment to keep it that way.

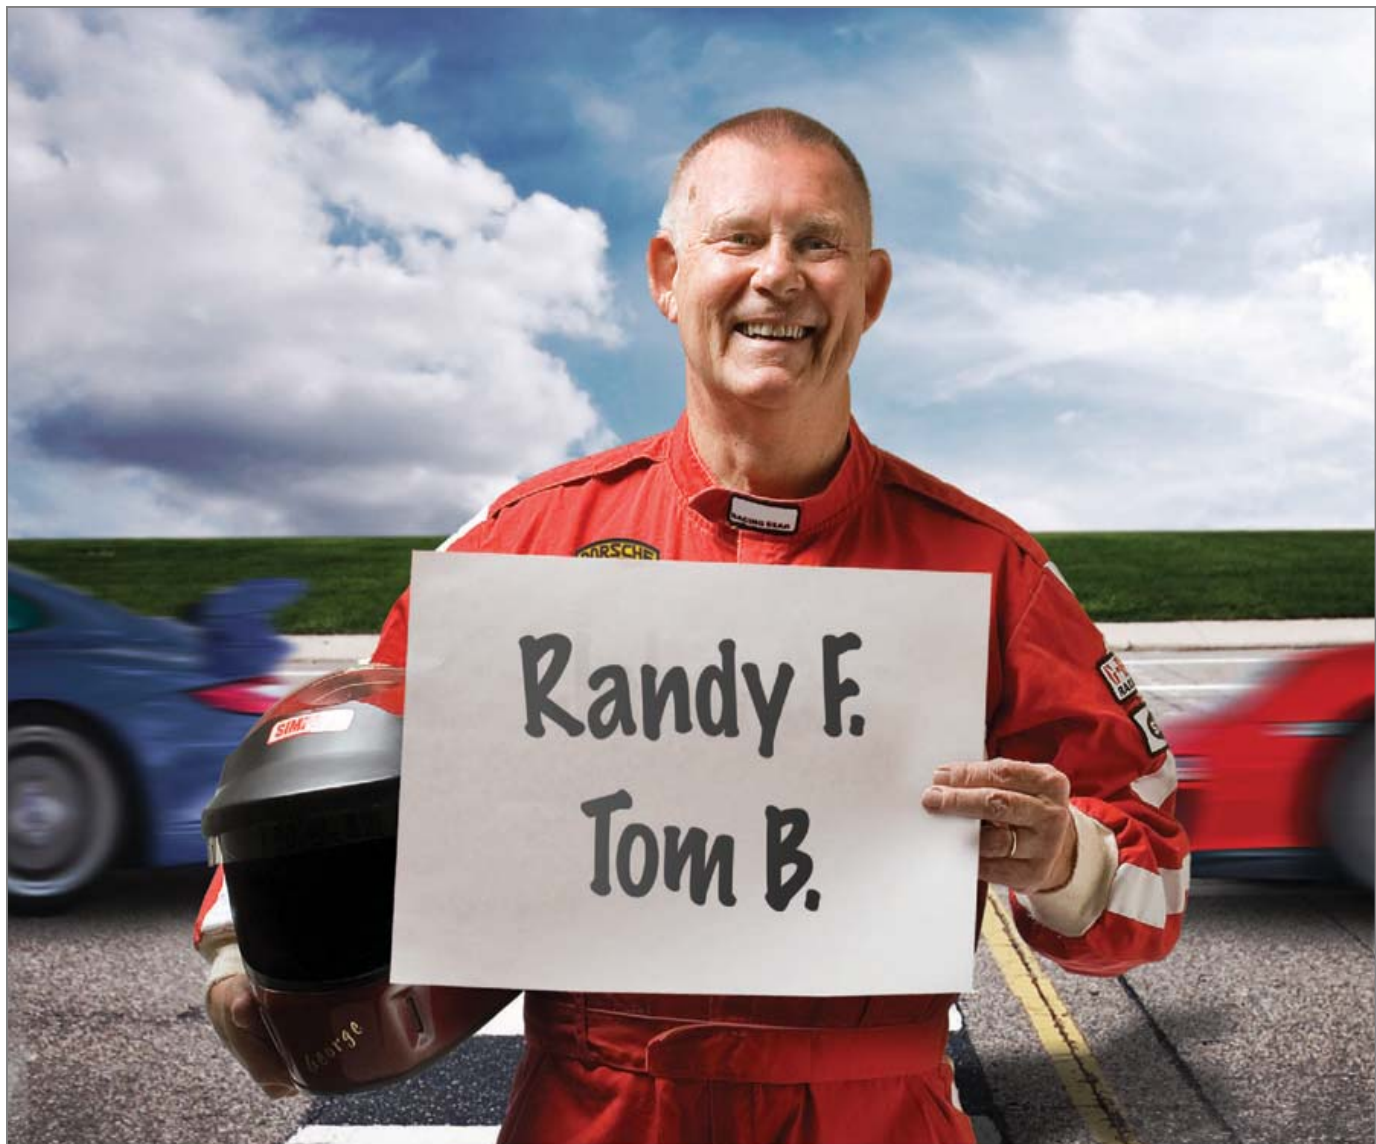

If you'd like to volunteer for this community enriching activity, please sign up in September (see the club Calendar) or for more information contact David Weaver at [drweaver@iquest.net](mailto:drweaver@iquest.net).

Thanks so much. We look forward to seeing you the next clean up. What could be better than the feeling of satisfaction one gets from the giving of yourself for a worthwhile cause and a club sponsored meal?

## **THE WAY IT WAS JUNE 2011** by Mike Robbins

Ten years ago the cover of *CIRcular* carried a photograph of the Seiberling Mansion in Kokomo, one of the places visited the previous month on a CIR tour. Inside was an article by Henry Riley re Driver's Events. Quite timely at this time of the year. The Porsche Mart covered two pages with cars, parts and accessories for sale.

Twenty five years ago CIR President Chuck Langsenkamp announced the consolidation of the Ramme Region into CIR. And in the vein of the forthcoming 50th Anniversary celebration was announcement of the 25<sup>th</sup> Anniversary party. Many other subjects included a report on the Kentucky Region's Porsche Derby, suspension modifications by Scott Holley, replacement of 911 pedal bushings by Dan Hartill, motor oil by Jim Farmer and more.

### **Current Events**

PCNA recently set off a fire storm with announcement of a revised schedule for the Fourth Rennstall Reunion. US Porsche race fans had been looking forward to a continuation of the series of Porsche only races that had been held at Lime Rock CT and Daytona Beach FL. It has been a few years since the last was held and all fans were hoping for a west coast event to pick up where things left off. After all, California is a hotbed of all kinds of auto racing and Porsche cars so what a logical location for getting 500 or more Porsches together in a series of races. All seemed right with the world when several weeks ago, PCNA announced the 4<sup>th</sup> Rennstall Reunion would be at Monterey CA in October. Unto itself, this sounded great. However, several months ago the Porsche Race Car Classic, a non-track event was announced. This is to be a display of Porsche race cars in a Concours atmosphere. The factory had announced that they would send several museum cars and the race car display was to be supplemented by a display of historically significant non-racing cars. The PRCC is to be a charitable event to raise money for lung cancer research. In an unfortunate scheduling conflict, the two events are now, at this writing, scheduled simultaneously. They had originally been back-to-back. I'm on tenterhooks, waiting to see how this all shakes out. I've been invited to take the Speedster to the PRRC [non-race category]. I was glad to see the original announcement of the Renstall Reunion as offering another "must see" event to hit on the same trip west.. There is an added air of mystery as the latest PCNA announcement appears to have been made by someone looking at a 2010 calendar. I'll be checking my e-mail several times daily to see how the schedule conflict is resolved. Meantime, I might, tongue in cheek, seek sponsorship to cover gas and motels for the trip.

### **Parade 2011 -- Additional Tour Dates Added!**

Parade registration is open for this year's Porsche Parade in Savannah, GA. Registrations are up; attendance is tracking to be higher than last year. Due to popular demand, additional driving tour dates have been added to the schedule. If you thought you missed out, please look again and notice these new opportunities to explore the greater Savannah area. Whether you like to autocross, rally, tour or Concours, there is plenty to do and see. And don't forget the Tech Academy; police escorted Parade of Porsches; and all the social events!

Savannah is the perfect place for a Parade and a family vacation, as it has been named a top 10 American destination city, as well as a Top 10 Culture and Sightseeing destination. This is the biggest PCA event of the year, so join all of your friends and don't miss out on your chance to participate in this week long extravaganza (to be held July 31 to August 6) of car events, parties and FUN!

For more information visit the Parade web site: <http://parade2011.pca.org>. Registration will continue through July 20. For help with registration, you can contact our registrar, Susan Brown by email at [sabrown60@msn.com](mailto:sabrown60@msn.com) or by simply calling Susan at +1 (760) 505-2514. See you in Savannah!
