## October 2011 CIRPCA President's Message

The leaves are turning; time to put away the mower, bring in the hose reel, forget about painting for another year and be glad you're not going to the barn to get the storm windows out of storage to replace the screens that occupy that window space now. So where did the 90 degree temperatures go all of a sudden – and the draught. But it is a beautiful time of year and our time of year is now as your CIRPCA organization ramps up for the last quarter of 2011.

PUT THIS ON YOUR CALENDAR RIGHT AWAY - - - the ANNUAL BANQUET (not the 50<sup>th</sup>, we did that) will be held on November 19<sup>th</sup> from 6:00 PM to 8:00 PM at the Hollyhock Hill restaurant on College Avenue in Indianapolis. Normally you go there as part of the wedding party but let me tell you this – they have the best fried chicken family style dinners in the five state area, and I'm not even a fried chicken fan. There will be other items available as well but this is our end of year wrap up as well as say goodbye to the old officers and welcome in the new. We've kept the price level down as low as we could while still feeling comfortable recommending the food so our price point will be \$35 per person. You'll like this place and we'll send out more information in our blast.

Also get the Holiday Brunch on your calendar on December 11<sup>th</sup> at The Garrison restaurant at Fort Benjamin Harrison from 11:00 AM to 2:00 PM. A feast and a grand holiday time as we exchange pleasantries and gifts. Again, more to follow.

Coming soon is the Chuck Langsenkamp Memorial Press on Regardless Winery Tour on October 8<sup>th</sup> starting at the Story Inn in southern Indiana at 9:30 AM. Don't miss this one and especially this time of year. Same day for those northern folks is the Second Saturday Breakfast at Cosmos Res-

taurant followed by a scenic drive to Elkhart, IN and a visit to the New York Central Rail Museum. What a "hoot".

Keep October 22<sup>nd</sup> at 6:00 PM open for the Bird's Smokehouse BBQ dinner in Daleville as the Meet in the Middle group gather around a grand fireplace to swap their favorite baked bean stories.

If you feel like there just isn't anything going on with your CIRPCA club then you have to sign up for the Pumpkin Run Performance Driver Education event running from October 28 -30 at Putnam Park in Mt. Meridian, IN. For drivers and their intended favorites along with ALL members and guests of our club there will also be the great Pumpkin Run Halloween Party at the Eagles Lodge in Plainfield, IN. Look at the pictures then picture yourself dressed up like no one you would ever want to be recognized as and come on over for the food and fun. This is a separate registration event from the DE so everyone is invited and encouraged to attend.

We left out a couple of days during the month to let you get some sleep, bring in that mower, the hose reel and clean up that special automobile of yours for the next event on the calendar. Join us and have a most enjoyable fall break.

Meanwhile, park away from door dings, stay between the ditches and have more treats than tricks.

## Fall Winery Tour - October 8

"The Chuck Langeskamp Memorial Press on Regardless Winery Tour" was formerly known as the Huber Winery Tour. It was renamed in honor of Chuck Langsenkamp, who organized and ran the tour for twenty years. This is the last road trip event of the year for CIR. Last year 30+ cars from our Region met at the winery with PCA members from the Kentucky and Southern Indiana Regions.

The tour will start with a breakfast brunch served at the **Story Inn** located approximately 15 miles south of Nashville, Indiana. After the meal the route continues south to the Huber Winery near Starlight, Indiana. Drivers will find the well paved State Road 135 both fun and challenging. Please plan on a full day for this event.

**Meeting Point:** This year, in a return to the earlier days of the Tour, the rally point will be at **Story Inn** (<http://www.storyinn.com/>) on South State Road 135, Story IN. Map and directions to the **Story Inn** are at the following link (<http://www.storyinn.com/maps-and-directions>).

**Sign-In and Drivers Meeting:** 9:30 AM in the **Story Inn** parking lot. Route instructions will be distributed at the driver's meeting, which will start at 9:45. You must sign the waiver and present your driver's license to receive them.

**Brunch at the Story Inn:** After the driver's meeting at approximately 10:00AM.

**Winery Visit:** Plan to arrive before 2:00 PM. All registrants will be entered into a drawing to win bottles of wine or gift certificates. The drawing will be held in the lawn parking area. You must be present to win.

**Entry Fee:** \$10 per person and registration is at the website.

## **Bird's Smokehouse BBQ Dinner In Daleville, IN**

The next Meet in the Middle will be a dinner at Bird's Smokehouse BBQ in Daleville, IN on Saturday, October 22 at 6 PM. Located just ½ mile east of Exit 34 on I-69 on Ind. 67, Bird's offers genuine slow-cooked, hickory smoked-on-the-premises barbecued pork, beef brisket, chicken and ribs along with a whole slew of southern-style side dishes served in a log lodge-type building with a grand fireplace.

Mark your calendars now and we'll see you all there!

Enroll on the CIR website so we can tell the restaurant how many to expect.

## 2<sup>nd</sup> Saturday Breakfast and Drive on October 8<sup>th</sup>

The CIRPCA Second Saturday Breakfast on October 8<sup>th</sup> will feature a tasty breakfast at Cosmos Restaurant at 1425 West Washington Road on the North side of Fort Wayne. From there we will drive to Elkhart, Indiana where the women will shop at Stephenson's and the men will tour the New York Central Rail Museum. To make this a little more fun, and avoid my penchant for getting lost, as I did last year, the route there will be listed, but a final address will be given and we will have a gimmick rally en route.

The plan will be to have breakfast at 9 AM and at about 10 AM will leave Cosmos and follow a route to the Electric Brew in Goshen. Along the way to Goshen there will be some questions to answer about things seen on the route. In Goshen we will have a wonderful cup of coffee and snack and determine the rally winner. From there we will proceed to Elkhart and park behind Stephenson's. At that time the women can shop for some unique clothing at Stephenson's, (<http://stephensonsofelkhart.com/index.php>) a store with outstanding service.

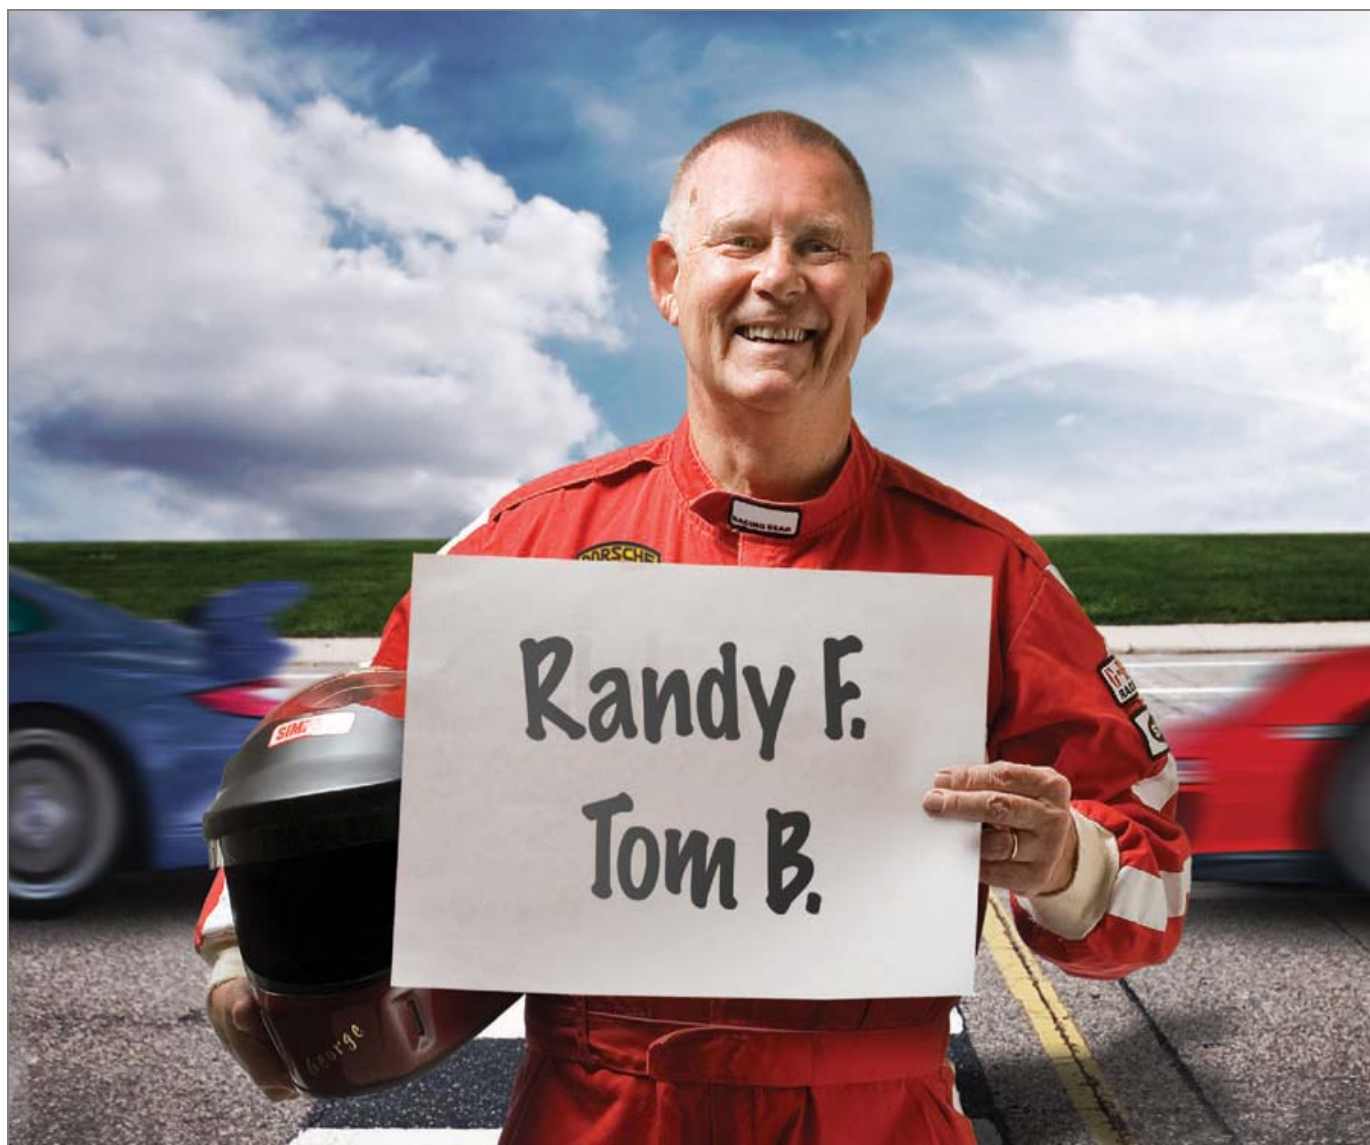

Daniel Reynolds, a manager at Stephens has a 911 as a daily driver. He is a PCA member in the Michiana Region. To promote this event he has offered a \$25 Stephenson's gift certificate to the "winner" of the rally, as well as 15% off all purchases that day for all club members who present their PCA member card at point of purchase. While the women shop, the men can walk to the New York Central Rail museum. (<http://www.nycrrmuseum.org/>) and take a look at some machinery with some real horsepower, and a wrecker that can pull you out of any ditch!

After that, the Vine (<http://www.thevinesb.com/>) across the street from Stephenson's provides a great place for late lunch or early supper. The Vine is an old sandstone bank building that has been re-made into a great restaurant.

I hope you will join us on this fun and informative trip! (And give me a chance to make amends for last year ☺)

# The Club AT PUTNAM PARK

Putnam Park has announced formation of **The Club at Putnam Park**. **The Club** is a country-club style lapping day, member-only group that offers exclusive lapping events at the facility, limited membership, access to member-only clubhouse, private showers and bathrooms, and the opportunity to lease garages for storage and maintenance of your vehicles.

The Club will ultimately host over 100 track days per year. These days will begin in March and run throughout the season. There will be several days per week, and most will be paired (Tuesday-Wednesday, Wednesday-Friday, etc.).

The cost will remain the same for all members, but this will allow for many more potential days of driving, given the varied schedules of the membership.

Guest passes are included with the memberships. This is an excellent way to entertain clients and test prospective drivers for teams. Additional guest passes beyond the included number are available for purchase in advance.

Please remember, Putnam Park is not a “paper

track”- we are celebrating our 20th year running a fantastic facility!

Putnam Park will soon begin construction on 20 concrete garage bays (18' X 20') that Club members will be free to use during Club Lapping Days.

In order to guarantee use of a bay for all Club Days (not weekend group or other non-Club days), an Annual Garage Bay Reservation is available. The remaining unreserved bays will be available on a first-come, first-served basis.

In addition, annual and long-term leased garages will be available for storage and for working on your vehicles. These garages may be custom built to your specifications. Please email or call Chris Diasio more information on these.

The Putnam Park website has been completely updated.

Visit <http://www.putnampark.com>. Applications for **The Club** are available on the website. Chris can be contacted at [csdiasio@putnampark.com](mailto:csdiasio@putnampark.com) or 866.702.0303.
