April 2012 CIRPCA President's Message

The Joy of Driving...

Driv'ing 7. To control the movement or direct the course of (an automobile, etc) 10. To carry on with vigor.

I truly love the act of driving. It doesn't make any difference what type of vehicle it may be. It can be my racing 911, my street 912E, 1971 Corvette, 1999 Saturn 4-door, Airstream 35' Motor home. It makes no difference. They all provide me fun and enjoyment in their own way. Some are more exhilarating, some are more relaxing, some take a great deal of concentration, some are a great escape. I just love to drive.

As I think about my love for driving, I'm struck with the notion that perhaps this could be the root of our inability to get the vast majority of you, our members to partake in any of our club activities.

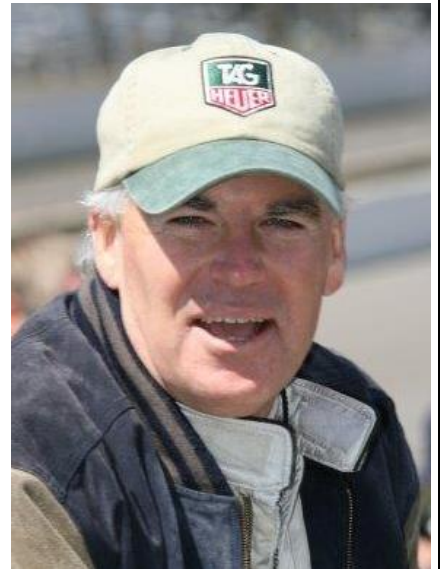

Out of our 400 some members, we regularly only see about 40 members at any function. It occurs to me that it might just be that the majority does not have this love, or interest for that matter in driving.

I assume that many of our members Porsches just wait in the garage for their owners to from time to time look under the cover to see if it is still there. As with all machines, (and humans) inactivity is worse than tons of miles.

We are all very busy these days. It doesn't make any difference what end of the economic spectrum you may find yourself. This is universal. But you just may find that nothing more than a nice 30 minute drive in the country is the escape and refreshment you need. That low mile Porsche under the cover in the garage is just the thing you need to find true relaxation. Most people will never experience the exhilaration of going through the kink at Road America at 165 mph, and that is not the point. The point is using whatever beautiful Porsche you may have to its fullest extent of fun.

For many years Porsche has provided us with machines that can produce vast quantities of fun and enjoyment. All you have to do is get out and drive it. Summer is here, let's drive!

Life's Little Lessons:

In The Zone

By Ron Carr
Zone 4 Representative

In June, school is out, vacation time is here, and the weather is perfect for a summertime cruise. Whether it's just you, or the whole family; a short trip to the local ice cream shoppe, or a cross-country expedition, your car was made for the road, not the garage!! Get out there and use it for its intended purpose. Check your local region's website and newsletter for the latest details on the many events close to you that are being planned for your enjoyment, and check the [Zone 4 Website](http://zone4.pca.org/) at <http://zone4.pca.org/> for other regions events, such as:

- Are you interested in joining with other classic car enthusiasts for a relaxing, no-pressure, low-cost (free?) automotive extravaganza near you?? Check out the local **Cars & Coffee** event!!! They occur on a regular basis throughout the country on weekend mornings in most medium and large cities, including one near you. No reservations or commitment required- just clean up the car and drive it over. Check the website at <http://usa.carsandcoffee.info/> for an event near you.
- Need something to do in the middle of the week? Join the **Western Michigan Region** on Wednesday afternoon and evening, June 6th, for the **Gilmore Gathering** and cruise-in at the Gilmore Car Museum in Hickory Corners, MI. Details at their website at http://wmi.pca.org/events/gilmore_gathering.htm.
- A great introduction to driving your Porsche in a fun and competitive manner can be found in **Autocrossing** (AX). Many regions sponsor Autocross events, and they are a great event for novices and experienced drivers alike. Check out the following events:
- **Mid-Ohio Region** hosts **IRAC III** Sunday June 3rd at the Columbus Motor Speedway. See the <http://www.morpca.org> website for additional details.
- **Michiana Region** will host an Autocross at Tire Rack in South Bend, IN on Saturday, June 23rd starting at 9:00 AM. See their website for details and directions.
- **Maumee Valley Region** hosts **IRAC IV** Sunday, July 1st at Owens Community College in Toledo, OH. See the <http://mm.pca.org/events.htm> website for details.
- The **Detroit Grand Prix Race weekend at Belle Isle** will be held on June 1st through the 3rd. PCA is sponsoring a Car Corral and Hospitality area, hosted by Rally Sport Region and supported by Southeast Michigan and Motorstadt Regions. Admission tickets are available at the event website at <http://www.detroitgp.com/>.
- Join **Northern Ohio Region** (in conjunction with the **Mid-Ohio and Allegheny Regions**) for a joint **Drivers Education** at Nelsons Ledges Road Course in Garrettsville, OH on June 15th through the 17th. To sign up go to www.clubregistration.net. Contact info: email Skip Wolfe at skipwolfe@gmail.com.
- The **Southeast Michigan Region** is hosting its annual **"Roar on the Shore" Club Race and Driver's Education** at Gingerman Raceway in South Haven, MI on June 15th through the 17th. To sign up go to www.clubregistration.net. Contact info: email Leo Wanstreet at lwvanstreet@sonitrolmichigan.com.
- A great destination for a daytrip in **Central Indiana Region** will be the **CruZionsville Car Show** in Zionsville, IN on Saturday, June 16th from 11:00 AM until 4:00 PM. A perfect setting for displaying your Porsche, shopping for antiques, or just 'hanging out' and listening to music on the brick streets of this picturesque little town. See the CIR website for registration details.
- The **Rally Sport Region** presents their **Driver's Education** event at Grattan Raceway in Belding, MI on June 22nd through the 24th. To sign up go to www.clubregistration.net. Contact info: email Tom Krueger at thomasjkrueger@gmail.com.
- You have until the end of June to register for the **Annual PCA National Porsche Parade** being held in Salt Lake City, UT on July 7-14, 2012.

Missed Shifts- Editors Message

Merritt Webb

With the passing of Memorial Day Summer is here. I hope you had a chance to enjoy the weather and participate or watch some of the great automotive events that occur this time of year. Our CIRPCA symbol is emblematic of the Indianapolis and we are very fortunate to have such a great facility with such great history in the middle of our region. I hope those of you who are fans had an opportunity to attend the Indianapolis 500. There are many great races and tracks, but the Indianapolis 500 really is an event all its own.

I was relatively fresh off the Drivers Ed at Putnam Park, and some of the things I learned there really give me some improved insight as to what was happening on the track. And it really helped me appreciate the focus needed to pull off a win. I thought Sato had a great chance to win at the end, but he wasn't patient and he picked the wrong time and place to try a pass.

The Indianapolis Motor Speedway Museum has some great cars and they rotate the displays so there are always some new things to see. The CruZionsville event will give you a chance to see one of the entries Porsche made in the race. You will have a great opportunity to see this car and a lot of other great cars, as well as enjoy the quaint city of Zionsville and support a great cause at the CruZionsville event.

Ron Carr spoke about some autocross events. Don't forget that both the Indianapolis (<http://www.indyscca.org/>) and Fort Wayne Regions (<http://www.fwscca.com/>) of the Sports Car Club of America have full autocross seasons. The Indy region has both rally and autocross events. The Fort Wayne region has an autocross event coming up on June 10 at Grissom Aeroplex, a great facility with a lot of room. You don't get up to DE speeds, but it is still a great event.

I hope you noticed in the last issue some additional events outside the region. We had an ad about the Stoddard Porsche Car Show and swap meet. We also mentioned a club racing event. The purpose of this was 2 fold. First I want to provide the readers with more things to do. For instance, even if you do not club race, Gingerman Raceway is in the Wine Country of Michigan and it is a great destination for a drive. You can check out the cars for a couple of hours, stop at a few wineries and be home in the evening. Second, I want to work with our sister regions, and help them with their events. We Porsche drivers are a relatively small community, and we should both get to know and work with our neighbors. It is a win-win for both the CIRPCA members as well as other clubs. I hope you appreciate it.

In my opinion at this time of year we have the best weather, and there are a number of events where you can get out and enjoy your cars. Whether they are a CIRPCA event or another event, I hope you are taking the opportunity to get out and enjoy. We are fortunate to have cars recognized for their distinctive looks and characteristics. It is great that we can enjoy them and other can enjoy them at the same time.

Team Falken Tire —

Submitted by Steve Tarr

2012 is the third full season of competition for Team Falken Tire in the American Le Mans Series. Named by SPEED as one of the breakout teams of 2011, Team Falken Tire clinched their maiden win at Mid-Ohio Sports Car Course after expert driving combined with Falken Tires, outperformed the field in the treacherous conditions. Managed by Derrick Walker, the race team finished the 2011 season in fourth in the GT Team Championship and fifth in the GT Drivers' Championship.

Wolf Henzler

Falken Tire could not be happier to have the Nürtingen, Germany native back on the roster for 2012. Having brought the Falken shod Porsche 911 GT3 RSR across to the checker for Falken's first ALMS GT win, Henzler showcased his car control capabilities piloting the race car through a torrential downpour that left other competitors off track and off pace. His aggressive driving style was most famously noticed in 2011 during his "thread the needle" YouTube hit at Road America. Having multiple Series wins on his resume and winning the overall GT2 Championship as recently as 2008, Wolf brings world renowned success and experience to Team Falken Tire which will be running the new 2012 version of the Porsche 911 GT3 RSR in competition. Wolf again returns to Falken as a Porsche works driver, making him one of nine drivers to hold the honor in the world. When not driving, Wolf spends his time mountain biking, skiing, golfing and working on his personal fitness to help him endure the grueling long distance

races that are a signature element of the American Le Mans Series.

Bryan Sellers

Falken Tire's sophomore championship campaign in the American Le Mans Series, highlighted by wins at both Mid-Ohio in a torrential downpour and the inaugural Baltimore Grand Prix street course, would not have been successful without Bryan Sellers. The young American is making his presence known in the world of GT Sports Car Racing and looks to build on his momentum in 2012. Sellers' role in the development of Falken's Azenis RT-Slick has been extremely critical with his precise real-world feedback to the tire and chassis engineers, both in the United States and Japan. Having competed in many forms of racing including go-karting and in his younger years, open wheel racing and most recently sports car racing, Sellers' resume is extensive. Bryan's reputation for his ability to absorb knowledge and a high level of professionalism combined with his skills behind the wheel make him a perfect drier candidate for Falken Tire. Born in Dayton, OH, Sellers now finds himself a stone's throw away from world renowned Road Atlanta in Braselton, GA, home of the season finale Petit Le Mans. When asked to describe his motivation for his racing career, Sellers refers to his favorite quote, "Winners don't wait for chances, they make them."

Rain. Snow. Ice.

All excellent conditions for silencing skeptics.

72 and sunny is nice, but by no means necessary. From the Carrera 4 and Panamera 4, to every Cayenne on the road, you can expect pure Porsche performance all year round. And all thanks to something called Porsche Intelligent Performance, a philosophy grounded in the continuous innovation of forward-looking technology. Technology like Porsche Traction Management (PTM) that sends power to all four wheels individually for enhanced grip and control. Technology like Porsche Stability Management (PSM), which automatically delivers stability around tight corners. Technology that has always kept us a step ahead of everything, including the weather. Experience Porsche year-round drivability for yourself with a test drive. Porsche. There is no substitute.

Experience Porsche performance all year round.

CIRPCA — A growing Group:

Do you ever wonder how many people are in the CIRPCA? Do you ever wonder, when you see another Porsche if that person is a CIRPCA member? Below is a graph showing the growth in club membership. Depending upon how you calculate it, it shows about 2.5% annual growth. That is a healthy growth rate. If you want to sustain and improve that don't hesitate to ask another Porsche driver you may see if they are a member.

CruZionsville ---You gota be there! Jun 16-Steve Tarr

Final preparations are being made for our 2nd Annual CruZionsville Event Saturday June 16th from 11 am to 4 pm. It is going to be an outstanding day! You will be seeing some rare Porsche cars close up and exclusively for our event!

For example, the Porsche engined 1990 Indy 500 race car on loan for the day from the Indianapolis Motor Speedway Museum and the green Falken Tire Porsche race car--one of a few of its type in the world!

Come at 9 am on Saturday the 16th and have breakfast exclusively for Porsche owners at Amore's Restaurant (in Boone Village Shopping Center) in Zionsville and it is only \$7.00! Owners can wash their cars at the True Value Hardware next door. Jimmy Buff-it's detailer team will be there to help with exclusive free use of Car Care products from Sonax. We are staging the cars in the parking lot of the Boone Village Shopping Center prior to our escort downtown at 10:45. Join us for the Porsche parade of automobiles.

All cars are to arrive at 11 am on the brick street and the judging starts at noon. This is a Shine and Show Event. We welcome all Porsche models. Our goal is to have 100 cars on site that day.

Our Platinum Sponsor is Discount Tire and they will be giving away a \$500 gift certificate for use in any of their stores to one lucky Porsche owner who registers. And yes, if you register more than one Porsche you get a chance for every car you register! That is not all; Jimmy Buff-it, our official detailer, along with Sonax who specialize in Car Care products and Premier Garage will be giving away prizes for lucky drawing Porsche owners.

You are in for a treat as we are going to have a special Youth Judging program sponsored by Hagerty Insurance. Programs such as this one are held around the country. It gives young judges the opportunity to learn the basics of judging while taking a look at select vehicles, interacting with the owners and learning details, facts and the history of each vehicle. The youth judges will be presenting a special Brick Street Trophy to one lucky Porsche Car Owner!

1990 MARCH PORSCHE - For its third and final season of contesting IndyCar racing in 1990, Porsche Motorsports commissioned from March Engineering some brand new chassis which were built specifically to accept the latest 161-cubic-inch V8 turbocharged Porsche engine. The result was perhaps the lowest-sitting cars ever seen in this type of racing. Teo Fabi, who had finished 4th in the previous year's point standings for this team, was unable to duplicate his successes, but did finish 3rd over the Meadowlands, New Jersey street course, and won the pole at Denver. Teammate John Andretti finished 10th in points with six finishes of 7th or higher, including a pair of 5th-place finishes.

We have our own judging team along with a number of Celebrity Judges including Ray Cor-topassi from Fox News; Nichole Pollard, Miss Indiana 2010; American LeMans Series driver, Martin Plowman; Chief of Police, Rob Knox; Town Council President Tim Haak and Pearl Harbor Survivor Harold Dove.

Exclusively for registrants, Hagerty Insurance will be hosting a special seminar on Porsche values based on their extensive research that you will not want to miss from 1pm to 1:45pm.

There also will be a People's Choice Award --allowing all those in attendance to choose a Porsche they like the best!

Bob Snyder has graciously arranged an interesting destination dinner drive that will end up downtown Indy at The Canterbury Hotel for a reception and then Dinner at St Elmo's. You may sign up for all of these activities on either the www.cruzionsville.com site or on the CIRPCA home page.

Remember a portion of each registration and Sponsor fee will be allocated to the Alzheimer's Organization. Our goal is to raise \$2400 this year.

We are counting on you to bring your car and join us for this outstanding event! We still need a few more volunteers so email sdtarr@aol.com or contact Steve Tarr at 317 722 1622!

See you in Zionsville!

Tom Wood Porsche sponsoring GRAND-AM PCA Lunch July 27!

by Bob Snider

PCA Lunch

Central Indiana Region will be hosting a **PCA Lunch** during the Friday, July 27th Indy Rolex GRAND-AM and Continental Tire Races in the PCA Suite located in the Indianapolis Motor Speedway Plaza Hospitality Village, directly behind the new Tower Pagoda from 11am until 1pm in **Pavilion Suite 1A**.

PCA National has paid for the Suite for the use of PCA members and prospective new members and Tom Wood Porsche in Indianapolis is sponsoring the PCA Lunch. Due to the sponsorship of Tom Wood Porsche, the cost of the lunch is only **\$10/person** and includes a buffet of Crispy Fried Chicken, Cole Slaw, Potato Salad, Baked Beans, Fried Biscuits with Apple Butter along with Iced Tea and Lemonade. All this in a beautiful air-conditioned suite with 6 closed-circuit TV's, broadcasting live coverage of all the race action – and private restrooms! Registration for the lunch will be available shortly on our website:

www.cirpca.org. Look for it on the homepage and the Calendar July 27 date.

The Pavilion is the same building where this year's Indy 500 Victory Banquet was held!

With the purchase of the \$10 PCA Lunch from our CIR website, you will be mailed an **IMS Plaza Village Wrist Band**, which must be worn to gain entrance to the Plaza Hospitality Village. No exceptions! Track Security will not let you in without the wrist band. The wrist band will be your lunch ticket. The wrist bands will be mailed to the credit card address you use to purchase your PCA Lunches. You can buy as many as you want and bring guests that might be interested in joining the Porsche Club. We have capacity for 300 guests in the Suite!

There will be a Longest-Driven Porsche Award presented by PCA National and numerous door prizes awarded during the lunch in the suite for those present.

Michiana Porsche Club—Autocross #1—Art in Motion

Michiana Porsche Club kicks off the 2012 season in a big way. Jointly hosted by Michiana Porsche Club and Dean's Place Art Gallery, June 23rd is a celebration of Porsche, cars, power sports and art.

Beginning at the Tire Rack in South Bend, autocross #1 takes place with an open and deliberate invitation to owners of all makes. "Bring out your ride of choice and open it up on the course." From the Tire Rack we head over to Dean's Place in Granger. Here, within the boundaries of the City Plaza, your car will take pride-of-place on display....four-wheeled art!

Meanwhile you'll enjoy the art of Dean Loucks as Dean's Place throws a party to unveil his latest creations. Dean will provide you with food and drinks and he's even recruited the ladies of neighboring Tilted Kilt to provide artful service.

Your cost is \$30 if you want to drive at the autocross. The party at Dean's Place is free. Photo ops with the ladies of the Tilted Kilt and your car will cost you..... (proceeds to benefit School Supply Giveaway of Gary).

You don't have to join us for the entire day, but why not? You're encouraged to bring your spouse, a friend or guest – especially to the party at Dean's.

Be at the Tire Rack, 7101 Vorden Parkway, South Bend, by 9am if you want to drive. Be at Dean's Place, 918 E. University Drive, Granger, after 4pm if you want to show your car and party. Need more details? Contact:

2012 Arthritis Foundation Cruise-In & Classic Auto Show Jul 6 & 7, 2012

Submitted by Ron Carr

Return to Dublin's Metro Center as the Central Ohio Chapter of the Arthritis Foundation invites Porsche drivers to join them for the 30th Annual Classic Auto Show & Cruise-In. This is central Ohio's premier car-related event – attracting more than two thousand display vehicles each year. This unique Dublin setting is perfect for a car show – with Porsche having Saturday's prime parking area in the grass, under the trees by the pond. The Arthritis Foundation Show is being promoted as a multi-region Porsche Club of America event and thus we hope to have numerous entries from the surrounding Regions.

On Saturday, July 7th, you'll have a full day at the exciting Classic Auto Show, with 47 judged classes of automobiles and vintage motorcycles on display, special Show-Within-A-Show groups and several regional events taking place.

Saturday morning the gates open from 7:30 a.m. to 11:30 a.m. The Porsche Show-Within-A-Show will take place from 10:30 a.m. to 2:00 p.m. Like last year, there is no formal judging; this will be a 'Peoples Choice' show. The registered participants will be voting on 7 Porsche classes broken down by the data from prior year's models and this year's pre-registration attendance. We will also have a display only class.

Contact Andy Trux at andrewtrux@cs.com or Peter Norman Jr. at quadcam928s@yahoo.com for further information. Register online at www.arthritisautoshow.com. Registration is now open! The website also has some great pictures from past years' auto show. Pre-registration deadline is June 22nd.. All pre-registrants will receive a commemorative present.

Plan also to attend the Friday, July 6th Cruise-In, which has become the largest event of its kind in Ohio. More than 1,200 street rods, muscle cars, vintage cars, European exotics and other cruisers from the 1920s to the present will make their appearance. A huge variety of terrific food will be available at the concession stands.

We invite all of our Porsche drivers, including those not actively participating in the show, to come out to the Dublin Metro Center to enjoy plenty of lawn parking in the shade, great eats and the wonderful fellowship that is always the hallmark of the Arthritis Foundation's Classic Auto Show & Cruise-In.

Parade-It's Not Too Late to Join The Fun! - Susan Brown, Parade Chair

The 57th annual Porsche Parade will be held July 8-14, 2012 in Salt Lake City, Utah, and there is still time to join us.

Parade registration may be accessed by logging into your www.pca.org account and following the links.

Salt Lake, known as the "Crossroads of the West," is a fun city with theatre, restaurants, night-clubs, museums, and more. The weather should be hot, but dry and sunny. In other words-summer time!

In addition to all the fun you can have in the city, we of course have a full week of Parade activities lined up for you. There is still room to join in any or all of the four competitive events. We have beer and wine tasting events in Hospitality, our Art show, a 5k run/walk, golf tournament, gimmick rally, banquets, RC car races and the Michelin Drive & Compare. Tech Academy will be held on Friday, with plenty of hands-on instruction about do-it-yourself maintenance. The local region, Intermountain, will round out the week with a DE at nearby Miller Motorsports Park.

For more information about the week, go to our website: <http://parade2012.pca.org/>. Our headquarters hotels will be the Little America and Grand America Hotels. Little America has Salt Lake City's largest indoor/outdoor pool, and both have extensive underground parking areas. Within easy walking distance is Salt Lake City's newest mall City Creek Center. Spread across three blocks in downtown Salt Lake City, City Creek Center has eighty stores.

About a mile from the hotel is Utah's state Capitol, where we will hold the Concours. The Capitol was built on a hill overlooking the city, and is the perfect place for you to show off your "baby". The Autocross and the Michelin Drive and Compare will be held at Maverick Center, a 10 minute drive away. The week promises to be an exciting one. Come celebrate 57 years of club history, and your chance to experience all that Salt Lake City and Utah have to offer.
