Let Terry, Tim, and Brent put their 62 years of combined Porsche experience to work for you. This month, we'd like to introduce Terry Day. Terry has serviced Porsches throughout his entire 39 year career, the past 7 years devoted exclusively to servicing Porsches. Before that, he spent 15 years in Formula 1 and Indy Car racing with the Brabham, Penske, Patrick, and Menard Teams.

Every year our Porsche certified technicians must attend 80 hours of classroom training and monthly certification tests for the latest updates. We have the most up to date special tools, test equipment, and bulletins provided by the factory so that we can provide you with the best possible service for your Porsche.

Porsche Certified Service.

CIRPCA President's Message

Fall has arrived and boy has it ever! Wow, 30's, really? I'm always amazed at how good the heat works in the 912E! Thank goodness. Many of you know how big a WIMP I am anytime it's below 50 degrees! ;)

I love summer, but it's sure hard to beat a beautiful crisp, clear fall day driving a great car on a curvy, winding, hilly road. There are so many great roads to explore in Indiana, especially anywhere south of Indy, or along any of the many river valleys of the state. Of course as you are enjoying the drive, there are great little out of the way restaurants, and shops to discover.

One of our favorite things to do on a pretty day is to just pick a direction and head out with no real destination. Judy and I have driven many of the great roads in southern Indiana, but there always seems to be more to discover or re-discover. Finding some new place for lunch, for coffee, or antiques along the way. Relaxing, enjoying the drive, and enjoying the time together. Many times we don't get back to well after dark.

Of course we have the Huber Winery Tour coming up on the 20th, but there is no reason to wait until then to get out and drive.

It's always fun to see the reception you get in the little towns when you cruise through in a Porsche. Everyone notices you, and if you stop, many times people come up and want to ask about the car. There are many young and old that love Porsche, but probably will never have one. They get to live the Porsche life vicariously through you at least for a little while. And you never know, that kid that drools over the car may be one of our members ten or so years from now!

This time of year is when I start thinking about how the number of good driving days is dwindling. We never know how many more we have before the crappy weather sets in. So I hate to waste any. There's plenty of time to work on projects after the crappy is here.

I have the kits to rebuild the front brake calipers on the 912E, the front pads are just about shot too, but am I going to waste a great day doing it now?....NO WAY! I can do that stuff when the crappy gets here.

But now...It's time to Drive!!!

P.S. Make sure you come over on the evening of the 27th for our Hot dog and Marshmallow roast.

Check the calendar for all the details.

In The Zone

By Ron Carr
Zone 4 Representative

After doing this month's schedule of regional activities around the Zone, I believe the operative words are "Fall Color Tour"! If there is not one listed in your area, it is either an oversight on my part, or it will actually be an 'impromptu' drive organized on short notice (which is usually just as much fun). So, plan to make that one last cruise in the Porsche before the leaves (and snow) fall and the car is packed away until spring. Check your local region's website and newsletter for the latest details on the many events close to you that are being planned for your enjoyment, and check the [Zone 4 Website](http://zone4.pca.org/) at <http://zone4.pca.org/> for other regions events, such as:

Check out a local **Cars & Coffee** event!!! They occur on a regular basis throughout the country on weekend mornings. No reservations or commitment required- just clean up the car and drive it over. The following regions are planning to participate:

- **Maumee Valley Region**- October 14th at 9:30 AM, Tim Horton's on Central Avenue.
- **Northern Ohio Region**- at the **Starbucks-City View**, in Garfield Heights, OH at 8:30 AM-10:30 AM, Oct. 6th and Oct. 20th.
- **Other regions check the local websites for details and schedules.**

A great introduction to driving your Porsche in a fun and competitive manner can be found in **Autocrossing** (AX). Many regions sponsor Autocross events, and they are a great event for novices and experienced drivers alike. Check out the following event:

- **Allegheny Region** hosts the last IRAC of the season (**IRAC VII**) and the final Awards Banquet on October 20th at Consol Energy Park in Washington, PA. Registration is at Motor-sportsreg.com.
- The **Ohio Valley Region** will participate in **"Rallye Mariemont"** on October 7th in Mariemont (Cincinnati) OH. A casual Porsche and community gather-

ing will include family fun, German beer tasting and historic and specialty car displays. See the OVR website for further information.

The **Western Michigan Region** will host their annual **Fall Color Tour and Dinner Drive** on Saturday, October 13th. Stops will include the Fenn Valley Winery and then dinner in Holland MI. Contact Jim & Ardis Schaaf at dogzan2@aol.com or Len & Bonnie Gawron at laga-wron@comcast.net for additional information and reservations.

Join **Rally Sport Region** for their annual Fall Color Tour **"The Bridges of Ingham County"** on October 13th. The drive will begin in Brighton, MI at 1:00 PM and end in Pinckney, MI for dinner. Contact Stewart Free stewsafrree@att.net for details.

Southeast Michigan Region will be hosting their annual **Fall Color Tour** on October 14th. Additional information is at their website.

The **Ohio Valley Region** will hold their fall **"Autumn Thunder" Driver's Education Event** at the Mid-Ohio Sports Car Course in Lexington, OH on Friday, Saturday and Sunday, Oct. 12th-14th. Registration is through www.clubregistration.net.

Central Indiana Region hosts their last driving tour of the season with the **Huber Winery Auto Tour** in Southern Indiana on October 20th. Starting point is in Nashville, IN at 9:30 AM. Contact Larry Haskett at lfhaskett@comcast.net. See their website for more details and registration information.

Don't forget to join the **Maumee Valley Region** for their **40th Anniversary Celebration** on October 26-28th in Toledo, OH. A great weekend of activities is planned starting Friday evening and running through Sunday afternoon. See their website for details and registration information.

Merritt Webb

In Ron Carr's column he has been talking up Autocross events lately. I participate in the autocross events the Fort Wayne region of the Sports Car Club of America puts on. These events have been great this year, with many taking place at the Memorial Coliseum parking lot. They are basically small road courses, about a mile in length with about 20 turns. You get typically 5 runs and those are timed.

It is not unusual for me to have the only Porsche out there. (However there are a couple of Porsche owners who run with the Indy Region of the SCCA)

However at the September 23rd autocross event there were 4 Porsches. My 2006 Boxster, running in B Stock. Then there was a 914 running in C stock and a 944 Turbo also running in C Stock. (See the cover for photos of the 914 and 944.)

Finally there was a 2012 Cayman R running in SS. That was a very sharp car and I took some time to chat with the owner. He is Kevin Kirchoff from the Chicago Region of the PCA. He bought his car from Rizza Porsche in the Chicago region. Kevin used to run a Nissan and now has the Cayman R (photo on the front cover). It was a great looking car and Kevin seemed quite quick in it.

I spoke to the 944 owner as well. I did not get his name, but his car had a PCA sticker on it....and it had a temporary dealer tag. It turns out he had just bought it a few days prior and decided

to bring it out and autocross it. I asked why he picked a 944, and he said he was looking for a moderately priced car that he could restore. It is quite a testament to Porsche automobiles that the person would buy a 944 turbo (an older vehicle) and then a few days later run it in an autocross, a testament to both car and driver.

Hopefully I will see these people (and some of you as well) at future autocross events. The driving season is waning and there is a chill in the air, but this is one of the best times of the year for the more social events like the Saturday breakfasts and the Destination dinner drive mentioned below. By going to different events you meet different people and it gives you a chance to meet more of the great people in our club.

Destination Dinner Drive

Come join other members for a destination dinner drive. Arrangements for a Drive & Dine at Stookey's in Thorntown, IN for Saturday, October 6. We will meet at 3:00 PM in front of the Marsh store at the Zionsville Shopping Center on Oak Street, IN 334. The route is 85 miles and will end at Stookey's Restaurant about 5:00 PM. Stookey's has a website at www.stookeys.com and a picture is below. There is no charge, but registration is required so we can have a firm number for the restaurant.

This should be a fun Saturday evening!

Drive the Open Road—Jimmy Arata

What could be better than joining your friends for an Autumn Drive on a beautiful route through the Midwestern countryside? Jimmy & Maureen Arata have invited us to their beautiful property for coffee and a long overdue photo op of the Ft. Wayne area members Porsches. From there we will follow a 35-mile route that Jimmy has put together for us ending at the Past Time Café in Paulding, OH.

Here's the plan:

8:30 Meet at the Arata's for coffee, socializing and photo taking

9:00 Depart for 45-minute drive

10:00 Arrive at Past Time Café (parking at Court House Square, ½ block from restaurant)

Directions to Arata's home:

12521 Doty Road, New Haven, Indiana 46774,
Cell: 312.7703

Directions from 469: Take exit #25, and head east towards Ohio. At 8/10's of a mile, turn right onto Doty Road. Once again, at 8/10's of a mile our house is on the left, the white ranch with the green and white "barn", just past the woods.

If coming out Stellhorn, after the third stop light past the Wal-Mart/ Meijer's stores, its 8/10's of a mile to Doty, and 8/10's to the house. A real easy house to find, since Doty road begins off Stellhorn, you can only turn right onto Doty.

Driving route to Past Time Café in Paulding, OH

Route is a total of 35 miles, the last 7 being a direct drive to Paulding and basically filler; otherwise, about 28 miles of really nice open roads, and some surprising turns. A lot of 3rd gear and a few 2nd gear turns.

SCI Hope—Rob Fike

As many of you know, we have had no budget to race this year. Our racing 911 just spending it's time setting in the race shop. But we have had fun with the car none the less by using it to help worthy causes make money. Nothing like a brightly colored race car to draw people out.

On Saturday, September 22nd, my friend Paul Powell had set us up to bring the 911 out to support an organization named SCI Hope in Brownsburg. I thought we were going to a car show where we would be one of many cars there. As it turned out, we were the only car there. Talk about the spotlight!

This event was not a car show at all, but something much more as I found out. Brenda Schultz is the organizer, and with a number of dedicated adult volunteers, they guide a group of teenagers as they do wonderful work to help find a fix for Spinal Cord Injuries. Brenda and these kids are incredible!

Their goal for the day was to generate money for spinal cord injury research, and to do this they had organized a number of varied activities. There was a motorcycle ride, a walk, a dunk tank, games for kids, and information to educate on spinal cord injuries.

I spent most of the day enjoying the kids and the grown kids that wanted to get their pictures taken in the race car. Showing them how to get in is always fun and then watching them try to remember how I said to get out! Of course most of them are bigger than me, so when I just zip in and out, they look at me like.... Riiiiiiight!

10/20/12 9:30	Annual Huber Winery Auto Tour	Traditionally, Central Indiana Region's last auto tour of the year and one of our largest attended events of the year. The weather is usually perfect, the scenery of the fall leaves is breathtaking and the roads are some of the best in southern Indiana. Starts with a 9:30 AM Driver's Meeting and then a wonderful buffet brunch at the Brown County Inn in Nashville, Indiana and commences with a leisurely drive down winding and scenic Ind. 135 South to Salem where we take Ind. 60 east to Borden and then some very winding and hilly back roads to the Huber Farm and Winery where they always reserve a very large grassy, sloped parking area near their pond (leave your car in gear with the parking brake on!). Members of the Kentucky and Southern Indiana Regions are always invited and join us for the day at Huber's. Plan on a full day and be sure to "Enroll" so we can tell the restaurant and Winery how many to expect. Some members make a weekend of it and stay overnight in nearby French Lick or Louisville!
10/27/12 17:00	Fike's Hot dog and marshmallow roast	Judy and I would like to invite everyone to our first Halloween hot dog and marshmallow roast at the world headquarters of Rob Fike Racing. National Auto & Truck Museum, Auburn, IN (2nd Saturday breakfast & museum tour and more!) Saturday, November 10th - Debbie Groulik

Larry Dent, CIRPCA member and Executive Director of NATMUS, has offered us a private, guided tour of this unique museum. *It is the mission of*

NATMUS to exhibit cars that have been built in the tradition of the Auburn Automobile Company. These include outstanding examples of postwar cars. Trucks exhibited range from 1907 to modern concept trucks. The truck heritage of the City of Auburn and its McIntyre Company, which built a full range of trucks from 1907 until about 1915, is recognized.

Here's the plan – we'll meet for breakfast at 8:30am at the Auburn Cracker Barrel, 1410 Shook Dr, located just to the west of the main Auburn exit off I-69.

After breakfast, we'll then migrate over to the National Auto & Truck Museum with a target starting time of 10:00 for a guided tour until

about noon. As a bonus option, anyone that wants to can join us for a group lunch at the Town Tavern which is only two blocks from the Museum and has a great lunch.

Anyone not getting their fill of car stuff can then head to the Auburn Cord Duesenberg Museum and Larry will get us a group rate. Larry can likely arrange for a docent to give a tour over there, depending on the interest.

WOW!!! To participate in this day of unique cars, please register at www.cirpca.org on the calendar page.

Your Article Here!

As I have said in the past, we are ALWAYS on the look-out for submissions. I am an editor, first and an author second...maybe even third. We had some great photos submitted for this issue and the articles about the Brunch and Adopt a highway are great.

I would love to get an article with Porsche Parade impressions. I would love to heard your thoughts on the Grand-Am.

I would love to hear about your Porsche, what you do with it, why you picked that specific one.

Articles are always welcome. The deadline is generally the 25th of the month, but I would be glad to work with you.

So, please submit an article, your fellow CIRPCA'ers would love to learn more about you.

Calling all Porsches, Ferraris and Friends October 5th, 6th and 7th

Please join us October 5, 6, 7 2012 for the 3rd Annual Ferraris and Friends event! Ferraris and Friends is a private week-end long celebration of special cars and the owners who are crazy about them! Ferrari is the featured marque, but will involve multiple car clubs/groups and anyone with a unique/special vehicle. This year we will be featuring a very special vehicle called the "Futurliner" as well as featuring Corvettes – they are trying for a vehicle for each year since its inception.

If we have enough Porsches join this event, we will have our own Special Parking on the picturesque Sycamore Hills golf green. The 1st year we participated, we had a record of 16 Porsches on the premises. We can easily beat our marque attendance this year with your participation in this fun-filled weekend that donates proceeds to charity.

To join us at this event, please register at CIRPCA on the calendar page to let us know you will be bringing your Porsche to park on the green and then go to www.ferrarisandfriends.com to officially register for the event.
