## October CIRPCA President's Message

by Rob

I hope the beginning of fall is finding everyone happy and well. This month will provide some of the best driving weather and sights of the year. I hope you all have many opportunities to get out and enjoy your Porsche! Playing hooky anyone?

We have a number of diverse events planned for the first three weekends of the month. Driving, dining, plays, tours, and the track. All that in just three weeks!

As always, please go to our website ([www.cirpca.org](http://www.cirpca.org)) for all the information on these events. I'm just providing a simple overview.

First Saturday Breakfast and tour. We will be meeting in Lafayette for breakfast at the Serendipity Eatery. Then we will caravan to the Frank Lloyd Wright SAMARA house. Food and architecture wow.

Second Saturday. This day is filled with options! For our Fort Wayne brothers and sisters there is the Second Saturday Breakfast at Sweet Cars. Then there is the Winery Tour starting in Nashville, and lastly it's Beef & Boards for dinner and Les

Miserables. Wow, Wow, Wow!!! Now it is pretty easy to pick 2 of the 3 events to do and pull it off. But I want to see if anyone can do all 3!!!! Anyone able to do a triple will have the undying admiration of the entire club! Who is the ultimate road animal?

Third Saturday and Sunday. It's back to Putnam Park for our annual Pumpkin Run Drivers Ed. Our last of the year. This year like last we will be partnering with our brothers in the Mid Ohio Region PCA for this event. Come on out and enjoy the great weather and Porsches on the track even if you are not running. And if you are going to get on track, better sign up soon.

As we move into fall, one item that deserves your consideration is the option of becoming an officer of your club. We have some really dedicated board members, but we would love to have some "new blood" on the board. It's your club, and what better way to have the events you like than by steering the club in that direction yourself? We have also been discussing the idea of adding a "Marketing" position on the board, so give it some thought. Let me know.

The 2013 Annual Banquet in November. Our last few annual banquets have been fun, the food has been good, but not a real bash. THIS YEAR WE ARE FIXING THAT! If you remember the last time we went to the Meridian Hills Country Club, it was a BLAST! Well.....guess what, we're doing it again!!!!

We will be having a semi-formal blast at Meridian Hills again. Dinner, dancing and the camaraderie of all your best Porsche friends. I will be wearing my tux for the last time as your President!

**So save the date of NOVEMBER 9<sup>th</sup>. It's a "not to miss" event!!!**

***"For 2013 I am starting a new challenge called "dues +1". I want to challenge all members to at least attend one event, or attend at least one more event than in 2012." - Rob Fike, 2013 CIRPCA President***

## Pam Ferguson Wins Art Trophy at Parade!

Pam Ferguson, received a First Place Trophy and a blue ribbon in the computer generated art category for her entry at the Porsche Parade. One of the art judges also passed on to us Peter Porsche particularly liked her entry!

Pam's entry was a pair of men's and women's sneakers featuring photos of the contestant's orange Boxster S, titled "Boxster On The Run". Congratulations Pam!

## Lafayette, we are coming!

This month's First Saturday Breakfast will be held in Lafayette at the Serendipity Eatery "An eclectic eatery". Very nice place! (Originally scheduled for Sept. 7, but changed due to a home Purdue Football game).

The restaurant's physical address is: 731 Main St., Lafayette, IN 47901. Directions: I-65 Exit 25, west on Ind. 26 to right on Main St. to 731 Main St.

Check out the menu at:

[www.serendipityeatery.com](http://www.serendipityeatery.com)

After we eat breakfast, we will caravan over to the Frank Lloyd Wright designed "SAMARA" house for a 1 1/2 hr. tour at 11 AM of this beautiful home and grounds located in West Lafayette at 1301 Woodland Avenue, across the street from the Purdue Ross Ade Football Stadium. House tour is \$10/person.

If you just want to go to the breakfast and skip the house tour, let David Shuck know below by email, so he can tell the restaurant how many to set up for and he will add your name(s).

This unique Usonian-style house was designed and built in 1955-56, towards the end of Frank Lloyd Wright's career (he died in 1959) and is still lived in by the original client and owner, retired Purdue professors John and Catherine Christian.

Wright not only designed the house, but also the furnishings and landscaping. It is still all original and considered to be the best of his Usonian-style design, incorporating everything he learned over decades of design in this very popular style.

Sign up for the house tour by logging in to the CIRPCA website, enter the number in your party in the "No of Enrollees:" box at the top of the page.

Next, click on "Enroll for this Event?" top left and then click on "Purchase" at the bottom of this page to be taken to the PayPal page where you can enter your credit card info or mail a check made out to CIR/PCA to:

## Putnam Park Driver Education: October 18, 19 & 20, 2013

Mid-Ohio Region (MORPCA) and Central Indiana Region (CIRPCA) are co-hosting a driver education event at Putnam Park Road Course in Mt. Meridian, Indiana. Both MORPCA and CIRPCA were two of the first clubs to hold driver education events at Putnam Park [www.putnampark.com](http://www.putnampark.com).

Putnam is a favorite among racers as well as beginning drivers. The 1.8 mile long, ten turn road course is an excellent layout. It makes for a terrific place to begin your high performance driving experience or continue with skill refinement.

Our two day event will include extensive track time as well as class room instruction. All experience levels are welcome, beginners through advanced. First time drivers welcome! The Instructor and Advanced run groups will offer Expanded Passing (pass with a point anywhere on the track including in the turns). All other groups will be fully instructed with standard passing protocols.

Do you still want more track time? We will also offer touring laps at lunch on both Saturday and Sunday. For about 20 minutes you can go out on the track at touring lap speeds (never exceeding normal highway speeds). You can practice your lines, locate landmarks for braking, turn in points, etc. Best of all you can take your family along. Yes, children can go too as long as they wear proper restraints. No helmets, just seat belts. Do you want more? We're planning on a guided track walk with a professional driver and individualized training.

Tech inspection will begin at 5:00 PM on Friday, October 18, at the Cambria Suites hotel and continue at the track on Saturday morning. Please have the tech inspection form filled out prior to arrival. Form available at [www.morpca.org](http://www.morpca.org) and also on clubregistration.net when you register.

**Hotel and headquarters:** This year we are using the Cambria Suites, 6014 Gateway Drive, Plainfield, IN 46168, Phone: (317) 279-2394. The hotel

is located just north of I-70, a few miles west of Indianapolis. When making your reservation mention you are with the "Mid-Ohio Porsche Region" for the \$99 rate. There are many fine restaurants in the area and we will be about 20 minutes east of the track.

**Student sign up:** All students are to sign up on [www.clubregistration.net](http://www.clubregistration.net). If you are new to this web site, the first exercise will be to establish a profile. If you need help, please contact us.

# ESCAPE2013

October 24-27

## Escape to L.A.

The fall is a great time to visit Southern California; the weather can't get any better for driving your Porsche. If you so desire, it is possible to drive from mountains with over eight thousand feet of elevation to sandy beaches all in the same day! The deserts are beautiful, crisp comfortable days, and bright clear blue skies. This is the perfect time of the year for our apple orchards. The apples are ripening on the trees and are sweet and juicy. Great fun to go picking your favorite variety. Take a drive along the Southern California beaches, and, of course, Mulholland Drive.

We have wonderful tours planned for you in addition to the mountain and beach driving. We offer several museums tours, Nethercutt, Huntington Library, Mullin, plus architectural tours will be part of this years Escape.

**Registration opens July 15**, so don't miss out. Visit our web site **<http://escape2013.pca.org>**

## 2013 Indy Rolex Grand AM by Bob Snider

About 100 Porsche Club members attended the meet & greet with NBC Sports' Bob Varsha and the question and answer period that followed with GRAND-AM Porsche Drivers Patrick Lindsey, Patrick Long, Nick Longhi, Matt Plumb and Andy Lally afterwards.

Bob Varsha mentioned the Porsche Club Meet & Greet/Porsche Driver Q & A twice during his Speed TV GRAND-AM telecast! Nice guy and big guy. He has a very casual demeanor about himself.

David Weaver enjoyed his chat with Bob Varsha. Made his day!

The GRAND-AM Fan Fest and Track Walk on the Road Course Back Straight did go on as planned from 11:30 to 12:45 and members enjoyed a walk thru the GRAND-AM and Continental Tire Paddock on their own with our three different colored wrist bands and "Cold Pit Pass" that was a part of our Hospitality Credentials this year. Many took advantage of this.

CIR's Tony Griffin got signatures of every Continental Tire and GRAND-AM driver, including 2013 Indy 500 winner Tony Kanaan, on the back of an antique racing game that he brought along. Shows just

what you can do if you have a little perseverance! The weather was perfect for racing and viewing - just the opposite of last year. All told, we had 200 registered members and guests in the PCA Suite and 76 Porsches in the Porsche Car Corral!

Randy Faunce got to meet Patrick Long and Madison Snow up close and personal when they stopped by Nicky Blaine's Cocktail Lounge for

Simon Robinson's GRAND-AM After Party. Nicky Blaine's was one of the sponsors of both of their cars. Nicky Blaine's is located in downtown Indy, just south of Monument Circle.

Tom Wood Porsche brought a dark blue 911 Carrera and a red Boxster S for display and those colors just happen to be the GRAND-AM and PCA colors! The cars were beautiful and attracted a lot of attention!

Les Misérables is now the world's longest-running musical, seen by over 65 million people in 42 countries.

Cameron Mackintosh's legendary production of Boublil and Schonberg's classic sweeps its audience through an epic tale of passion and destruction in 19th century France.

Discover a nation in the grip of revolution, where convict Jean Valjean is on the run. Hunted relentlessly by the policeman Javert for breaking his parole, he must leave his past behind and keep his vow to raise the young orphaned Cosette. But with revolution in the air and Javert closing in, Jean Valjean has no choice but to fight for his life and sacrifice everything to protect the people he loves.
