CIRPCA President's Message

by Rob Fike

Happy April everyone!

It would appear that the rodent in Pennsylvania lied to us all. So much for an early spring!!! As I type this there is 8 inches of SNOW on the ground outside. YUCK!!! But it looks like April will start out OK, and actually be back to normal and WARM.

Thank goodness, as many of you know I am a cry-baby any time it is colder than 50 degrees.

April is going to be a great month. We have so many varied events and activities for everyone to enjoy, I can't wait. Please, please, please go to our website to sign-up and check everything out. (www.cirpca.org)

I'm going to start out with a shameless plug for an event that is near and dear to my heart that I hope many of you will come out for. That is the Wounded Warrior Rides at Putnam Park. This event will be hosted in conjunction with our Spring Brake Drivers Ed. We will be giving 30 Wounded Warriors rides on the track during lunch time touring.

No track experience is necessary, and no helmets. You will have pace cars to hold the speeds to

"highway" speeds or less, and showing the proper line through the corners. All you need is the desire to make a veteran's day by giving them a ride in a really cool car.

We will be having some of our Shrine Corvette Club brothers giving rides with us. The Marine Corps will be providing a great hot lunch for everyone that day too.

OK, for our First Saturday Breakfast, we will all meet at the Herschberger Essen Haus in Converse. What a great place to drive a German car to for breakfast! Make sure you go to the website for directions.

The Second Saturday Breakfast will be hosted by SweetCars in Fort Wayne, and that is always a great time!

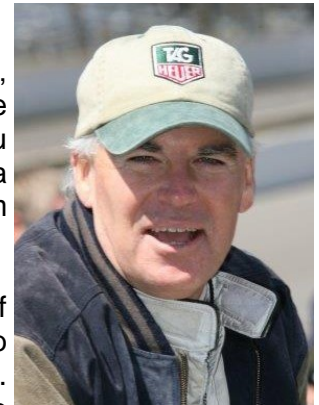

That day is also Bob Snider's Spring Color Auto Tour to Cincinnati. This too is ALWAYS a not to miss. OMG.....How do you decide?

The next weekend has the "Adopt-a-Highway" day of service on Saturday, and the "Bowl for Kid's Sake" in Fort Wayne on Sunday.

Then of course the last weekend has our big Drivers Ed event at Putnam Park Road Course, and the Wounded Warriors Rides.

WOW, what a great month!!!

I hope to see many familiar faces along with new ones this month at these great events!!!

Spring Color Tour Update **By Bob & Brigitta Snider**

April 13 & 14 is the annual CIR Spring Color Auto Tour to Cincinnati. You can go for one day, two or just meet us for dinner Saturday evening at 5:30 p.m. at the fabulous [Moerlein Lager House](#) Restaurant and Brewpub located downtown Cincinnati next door to the Cincinnati Reds Great American Ball Park (no Reds game, they are out of town).

The restaurant overlooks the Ohio River with views of the historic John Roebling Suspension Bridge. He is the engineer that also designed and built the Brooklyn Bridge in New York City.

The good news this month is that the beautiful Cincinnati Marriott at RiverCenter in Covington, KY has **extended the room release date until April 5.**

Reservations may be made at www.marriott.com using the group code PRCPRCC or calling 800-228-9290 and mentioning this code or the Porsche Club.

Other interesting news is that the brand new [Binion's Horseshoe Casino](#) had its grand opening March 4 in northeast downtown Cincinnati!

New restaurants at the casino include Jimmy Buffett's Margaritaville, Food Network's Bobby Flay's Bobby's Burger Palace and Jack Binion's Steak.

This could make for an exciting excursion Sunday after we check out of the Marriott.

[Registration for the Auto Tour](#) is open for \$10/person on the CIR website at: www.cirpca.org.

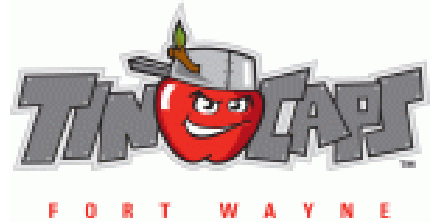

Full details and schedule are on the [CIR Calendar Event Page](#) and in the 1st [Quarter, 2013 CIRcular](#).

Fort Wayne TinCaps Baseball Game **Monday, September 02, 2013 1:00 PM**

We snagged the last game of the season! Please

join us on [Labor Day](#) for the final game of the TinCaps season when they play the Great Lakes Loons. In addition

to being the last game of the season, it is also Customer Appreciation Day, so I've been told to expect a "TON" of giveaways! www.TinCaps.com

We have reserved the Concourse Suite located on the 1st base line. These open-air suites have high-top seating and food rail for a great view of the action. The \$20 cost per person includes your ticket and our own private grill and server throughout the game, featuring:

Hamburgers • Hot Dogs • Macaroni & Cheese • Popcorn • Peanuts • Soft Drinks

(There is, of course, a cash bar nearby)

Registration for this event will close on Monday, Aug. 19th or when we reach the max. of 30 participants.

If you have any questions or comments, please contact Debbie Groulik at irie1029@frontier.com or 260-436-9738.

2013 Spring Brake Driver Ed and Wounded Warrior Track Rides

2013 DE Overview

Central Indiana Region PCA hosts High Performance Driver Education events at Putnam Park Road Course in Mt. Meridian, Indiana. Putnam Park was built in 1991 and Central Indiana Region PCA was one of the first groups to utilize the excellent circuit for high performance driver education and club racing events.

For those who may not be quite ready for the DE experience, we will be offering our Intro to DE program. The program offers those interested in doing DE a chance to see what it's all about. You'll get the classroom experience and be able to ride with some of our experienced instructors. The Intro to DE program does require the use of a

SA2005 or later helmet. A limited number of helmets may be available for rent at the track on a first come, first served basis. Enrollment for the Intro to DE experience is explained in detail below.

For our instructors and those drivers with lots of track time (Groups A and B) we'll be offering our Friday Lapping Day. Lunch is included for all participants on Friday prepared by the CIR pit crew.

Putnam Park is 40 miles west of Indianapolis, just off I-70 near Cloverdale. While we generally have good weather, we do ask that you come prepared for the best and worst Indiana can offer.

We are looking forward to a great weekend of per-

formance driving and sharing good times with old and new friends.

Less experienced drivers will have an instructor riding with them on-track until the driver is comfortable with the course and the car.

There will be four run groups and an instructor group to better match students of similar abilities in the same session. Run Group A will be for very experienced drivers in higher performance cars.

Group B will be for experienced drivers new to Putnam Park or driving medium performance cars.

Group C will be for student drivers with some experience and Group D will be for student drivers with little or no experience. There will also be scheduled classroom instruction/discussion sessions to discuss aspects of high performance driv-

ing with plenty of time for questions and answers. This is an excellent time to learn more about your car's capabilities and enhance your driving skills. Join us for a great weekend of "unwipeable" smiles and become a better driver on and off the track.

The Event headquarters will be the spectacular Cambria Suites. Cambria Suites is located at 6014 Gateway Drive, Plainfield, IN 46168 (317) 279-2394. The Cambria Suites offers a wonderful lodging experience while offering a top notch restaurant and bar within the hotel. A block of rooms have been made available at a special Central Indiana Porsche Club room rate of \$99 per night. Make sure you mention the Central Indiana Porsche Club to get the special room rate and register early before the rooms are all gone. Early event tech inspection and registration will be held Friday evening from 6-9pm along with a welcome reception at the Cambria Suite.

Additional information, including links to Spring Brake DE registration information, general requirements, and insurance coverage may be found on the Club's website at [Driver Ed at Putnam Park](#).

Intro to DE will also be offered on Sunday only during lunch to those who want to find out what DE is all about. Both lunch-time drives will be paced laps in your own car at highway speeds and helmets will not be required. Sign up and pay for Sunday Intro to DE at the track when you enter.

Something new for 2013!

We will be giving rides around the race track during lunch on Saturday for Wounded Warriors and Vets! We are looking for volunteers to give these veterans, who have given so much for our country, rides around the track.

"Giving back"

How do you show your gratitude to someone who has risked their life to preserve your freedom and way of life? Shake their hand? Say thank you for your service? Both of these are good ideas, but.....

We have another good idea. We are providing Wounded Warriors and veterans' rides at Putnam Park Road Course on track. These rides will be given during lunchtime touring on Saturday, April

27th. (Rain or shine)

I know I'm looking forward to sharing the love of our cars with these deserving warriors.

This opportunity is open to everyone whether you have been on track before or not. These laps will be at no more than highway speeds, and pace cars will be pacing the field as well as showing the proper driving "line" through the corners. No helmets needed, just the desire to share some sports car love! All of our Porsche Club members, friends, and our Shrine Corvette Club brothers are welcome to sign up.

Coupes, convertibles, T-tops, targa tops are all ok for this driving event, and remember no helmets needed.

The Marine Corps will be providing a great hot lunch for everyone with their BBQ Wagon smoker! (Just \$10.00ea.)

This is going to be a blast!!!

There is no charge for this event.

Come out and give a Vet a ride!!!

Join us for another CIR activity to make our community a better place in which to live. Help make the driving experience even better by providing a better environment in which to enjoy our incredible autos. What could be better than driving our P-cars on a beautiful Indiana highway? Click [here](#) to read more about why we do this.

We'll meet at the northwest corner of the 5th 3rd

Bank parking lot to sign waivers and make assignments. The 5th 3rd Bank is located on the west side of Meridian street and on the south side of 116th. Click [here](#) for a map of the area.

Wear old, weather appropriate clothes, heavy duty gloves and heavy duty boots (sometimes the grass is wet) and a change of socks and shoes. Porsche Parade Primer II

by Bob & BrigittaSnider

Last Issue

Last issue ([1st Quarter, 2013](#)), I covered the basics of what a Porsche Parade is all about, with info on registration, competitive events, banquets, family events, hotel, do's and don'ts, etc. – just enough to get you interested in registering. To date, 18 CIR member's cars are now registered with about 36 of our members attending. This has to be a Parade record for our region!

CIR Parade Sign-Up

Are you registered for the Parade? Do you plan on going for even one day? We would like to know and so would others. Debbie Groulik has again added her Parade Sign-Up Sheet to the CIR website Calendar at: www.cirpca.org. Just click on the link above and login on the website and click on any of the Parade dates to enroll and add your name. This does not register you for the Parade; it just lets others in our region know you are going. We added everyone that we know is registered for our website, but there are a few who are not. Please let us know. There will be a PCA Zone 4 Party during Parade Week and CIR has donated to the party fund. Details will be later in a CIR Event Reminder.

Latest Parade News

So far, over 700 entrants are now registered for this year's Parade! This far exceeded their expectations for this date, compared to previous years. Many members are bringing 2 Porsches (new rule – both entrant and co-entrant can now bring a car). They have a record number of cars signed up for the Concours on Monday (June 24), probably due to the new "Street Class". The Grand Traverse Resort has booked all their hotel rooms and condos (600 total). They are encouraging couples to double up in some of the 2 & 3 bedroom condos to

save money and provide extra space to others. And they are now booking hotel rooms at the nearby new [Turtle Creek Casino & Hotel](#) (same owners) a couple miles east on Mich. 72. Rates are \$149/ Sun. - Thurs., \$179 Fri. - Sat.

Eight of the tours are now sold out, with wait lists. They have added five more of the most popular tours. There are another 13 tours that are not sold out. Additionally, they are asking people who are signed up for a sold out tour to sign up for another day, if possible, to provide spots for others.

Looking for another hotel? We recommend the [Tamarack Lodge](#) in Traverse City, just minutes west from the Grand Traverse Resort on US 31 at 877-938-9744. It is a fractional ownership type condominium that usually has units available for rent. It is built in quality arts and crafts style with contemporary lodge-type décor. Beautiful, fully deluxe equipped 1, 2 & 3 bedroom units have their own private beach and wetlands area at the bottom of the East Arm of Grand Traverse Bay. Call first to be put on their summer wait list.

More family oriented is the [Cherry Tree Inn & Suites](#) hotel next door 800-439-3093. It has the same beautiful beach with a very shallow walkout wetlands area. Nice rooms include complimentary hot breakfast in a very tight and hot breakfast room. We have stayed at both and like them. There are also many other hotels within just a few minutes of the Parade hotel in every price range.

Recommended [Traverse City, Michigan](#) Area Tours

1. One of the most beautiful and scenic areas of our country, the Traverse City area has just about everything one could want in a vacation destination. If I had only one day to sight-see another area away from the Parade site, it would be [Sleep-](#)

ing [Bear Dunes National Lakeshore](#), about an hour west of Traverse City on M 72 – one of the most spectacular vistas in the U.S. Don't miss The Incline! And it's free for everyone in your car if you are 62 or older and have a National Parks Lifetime Senior Pass (available at any gate for \$10)! Best deal in America! While there, head on up to Glen Haven and check out the historic Sleeping Bear Point Coast Guard Station.

Then it's further north to Leland (Fishtown) for a wonderful Lake Superior Whitefish lunch or dinner. Brigitta and I recommend [The Cove](#) for its great food, drinks and view of the river and their unique fishing boats. On the way back to Traverse City, visit one of the many fine wineries on the Leelanau Peninsula. Stop in Suttons Bay for great shopping and check out the [Tall Ship Manitou](#) (AAA Gem!) docked for sightseeing tours at the bottom of the West Arm of Grand Traverse Bay. Plan a whole day for this trip!

2. Next choice would be the world famous five mile long [Mackinac Suspension Bridge](#) and [Mackinac Island](#) (six Parade tours can't be wrong!) at the tip of Lower Michigan. Be sure to rent a tandem bike and ride all the way around the island. The horse driven carriage tours and the old fort are also very worthwhile. Then there is the [Grand Hotel](#). Those words tell it all. It's Grand – everything about it! By the way, it's pronounced "Mackinaw", not "Mackinac" (it's an old Indian name). Tip: Go across the Mackinac Toll Bridge and take the ferry from St. Ignace to Mackinac Island. It's closer, faster and the crowds are much lighter than in Mackinaw City and you get to cross the bridge twice! Another full day trip.

3. Want a beautiful drive with scenic Lake Michigan vistas and wonderful small towns with great shops and restaurants? Then head north on scenic US 31 to [Charlevoix](#), [Petoskey](#) and [Harbor](#)

[Springs](#)! Stop at [Stafford's famous Weathervane Restaurant in Charlevoix](#) for a great lunch or dinner. If it's nice, sit out on the deck and watch the boats navigate the channel and lift bridge from Lake Michigan to Lake Charlevoix. The new [Bay Harbor](#) development comes up next on the left – a world class resort with everything to offer. In Petoskey the [Gaslight Shopping District](#) is well known for its shopping and restaurants, the best restaurant in the area is the historic [Stafford's Bay View Inn](#), on the left on US 31. Pick up a Petoskey stone while in town. It's petrified coral from eons ago. Last is Harbor Springs, full of elegant shops, art galleries and fine eateries and another [Stafford's Pier Restaurant](#) on the marina. My favorite drive in all of Michigan is M 119 north out of Harbor Springs to Cross Village. If you are in this area, do not miss this beautiful winding, narrow sports car road. You won't forget it. And the most unique restaurant in all of Michigan is at its terminus – the famous [Legs Inn](#) on the left. You won't believe the huge Indian wood carvings inside and all the antlers on the ceiling. We strongly recommend the Hunter's Stew. A great day!

4. Don't have a full day? Then we recommend a driving tour of [Old Mission Peninsula](#) on M 37, located between the East and West Arms of Grand Traverse Bay. Be sure to also take Shore Road on the east shore or Peninsula Drive on the west shore to see all the beautiful homes and bay vistas. Stop at the Old Mission General Store for lunch (hard to find!). It's an all-in-one gourmet deli, general store, ice cream stand and antique emporium incased in one little building you will never forget and the food is very good! Venture on north to the Old Mission Point Lighthouse (setting for many weddings). On the way back, visit one of the many fine wineries located mainly in the center of the Peninsula. A leisurely half day adventure!

All of the above tours are available through [Parade Registration](#) (login first).

Recommended Restaurants in Traverse City Area

Besides the ones mentioned above, the [Aerie Restaurant](#) on the 16th floor of the Grand Traverse Resort is first class all the way and the view of the East Arm of Grand Traverse Bay is the best in the area. Remember, you have two free nights – Monday and Thursday – to make plans for.

Downtown Traverse City is the very popular [Phil's on Front](#) Street or any of the other fine restaurants and bars located on this street in the heart of Traverse City (a great evening's walk!). [North Peak Brewing Company](#), just west of downtown on Front Street, is a fun place with great food, brews and entertainment.

There are also some very good restaurants hidden away on the Old Mission Peninsula and around the shores of the West Arm, such as the [Mission Table Restaurant](#).

Parade Meal Package

The Parade Meal Package includes 5 different themed banquets (Welcome Party "At the Shores" on the golf course, formal Concours, Rally German Buffet & Casino Night, Autocross and Victory) during the week and the Concours Box Lunch for \$310/person. All of the banquets and the box lunch can be purchased individually and prices range from \$20 for the box lunch and \$45 to \$65 for the banquets and are available through [Parade Registration](#), along with menus. Children's prices are also available for three of the banquets at \$20 each. You will also find extra meal tickets available for sale during the Parade at the Parade Hospitality Suite bulletin board. The hardest tickets to find are the early meals; later ones are easy, due to early departures.

The Parade Hospitality Suite is located off the

lobby of the Grand Traverse Resort and is Parade Central for everything that is going on at the Parade.

Weather and What to Pack

The weather in northern Michigan is usually dry and sunny during June with occasional rain. They do have cool nights sometimes up there, so be sure to pack some light sweaters or sweatshirts and a jacket for possible cool evenings. The humidity is much lower than Indiana and if it's clear when the sun goes down, the temperature can drop. Because of the brilliant sunshine during the day, hats are a must along with sunscreen. And bring some comfortable walking shoes, because you are going to want to walk a lot – there's so much to see!

One last thing: If you only have one day to attend the Parade, I would go on Monday for the Concours d'Elegance. There should be over 200 pristine Porsches on display along with many historic race cars from various museums, all displayed on the beautiful Spruce Run Golf Course with the Grand Traverse Resort in the background. You don't have to register, just drive up and spectate and don't forget your camera!

Well, that's all I can think of and we hope to see everyone in Traverse City! You'll have a great time!

Rain. Snow. Ice.

All excellent conditions for silencing skeptics.

72 and sunny is nice, but by no means necessary. From the Carrera 4 and Panamera 4, to every Cayenne on the road, you can expect pure Porsche performance all year round. And all thanks to something called Porsche Intelligent Performance, a philosophy grounded in the continuous innovation of forward-looking technology. Technology like Porsche Traction Management (PTM) that sends power to all four wheels individually for enhanced grip and control. Technology like Porsche Stability Management (PSM), which automatically delivers stability around tight corners. Technology that has always kept us a step ahead of everything, including the weather. Experience Porsche year-round drivability for yourself with a test drive. Porsche. There is no substitute.

Experience Porsche performance all year round.
