July CIRPCA President's Message

by Rob Fike

I hope everyone enjoys their 4th celebration, and take pause to remember all those who have served and still serve today to keep us free. Unfortunately there is a high price to pay for this wonderful life we all enjoy. I'm always very moved when I see these brave men and women who step up to do the job for us.

GOD BLESS OUR TROOPS!!! HAPPY BIRTHDAY USA!!!

This month we once again get to play host to the Porsche world with the Grand Am event at the Indianapolis Motor Speedway. Thursday, July 25 will be practice and qualifying for Grand Am and Continental Tire Series cars. Friday, July 26 will be Nationwide and Sprint Cup practice and qualifying in the morning. Then the afternoon will have the races for the Grand Am and Continental Tire Series drivers. Five and a half hours of great racing!

When I say that WE are hosting the world, I mean US, the members of CIR-PCA. We are getting no real help this year from our national brothers. Last year we sank or swam buy our own devices, but with national helping us. This year we sink or swim on our own. I have total faith in our great members

pull off another fantastic event.

So, I'm calling all members to look at volunteering this year for at least a one hour stint. We need volunteers to man the Porsche Parking Corral, and the Suite.

At this time we will be having the Suite and Corral for Friday only, but IMS is looking at letting us have both for both days. If that happens we will need quite a few more helpers! Be looking in your inbox shortly for an email detailing how to volunteer, and what times are available for Suite and Corral.

As for me, I'll be there pretty much all the time the gates are open! If you didn't come out last year, or didn't volunteer, come out and have a blast. You will have the opportunity to meet your Porsche brothers and sisters from all over the world. It's also in the works to have a group discussion with a number of the Grand Am Porsche drivers and Bob Varsha in our Suite!!! How cool, stay tuned!

Since I live 3 blocks west of the track, I will be inviting our volunteers to come over after the last race to relax, and have a "wind down" beverage at our little race shop.

Last year you all made me so proud to be your President. We weathered many last minute changes and made the event look seamless to our guests. I'm sure we will all do even better this year!!!

Adopt-A-Highway May 18 by David Weaver

Saturday, May 18th was the third year for the CIRs involvement in INDOT's Adopt-A-Highway program.

We had Bob Snider, Steve Tarr, Dane Love, David Shuck,

Tony Griffin and David Weaver register and participate in this event.

We picked up 15 to 20 bags of trash, which translates to about 300 to 500 pounds of trash that our wild life does not wade through. Over the years, the CIR has picked more than a **ton** of trash, one piece at a time.

Were this trash not picked up, it would have had a dam affect where the next rain would have washed more trash, mostly plastics bags, in the trees and weeds and then another rain and so on. With each rain, a little more wild life space is lost. Not only is this space lost to the wild live who call it home, but to Hoosiers motorist (especially Hoosier Porsche motorists) who have to look at it.

We spent three hours and although our feet were a little wet we were no worse for wear.

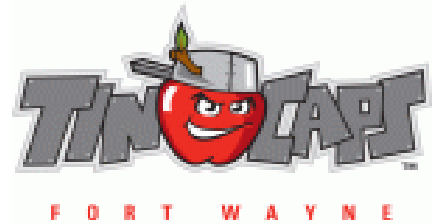

When we finished, we again went to Bellacino's where the CIR bought the volunteers some of the best grinder's in the state! Thanks guy!!!

Spring Color Tour Wrap Up

by Bob Snider

See the great accompanying photos taken of this year's Spring Color Tour Weekend to Cincinnati, April 13 & 14, by Shinji Sakai, a brand new PCA member from Mid-Ohio Region. We were his very first event! Shinji is a Chief Engineer for Honda near Columbus, Ohio and also brought his silver Cayman to the CruZionsville event last month. We hope to see him at other future CIR events!

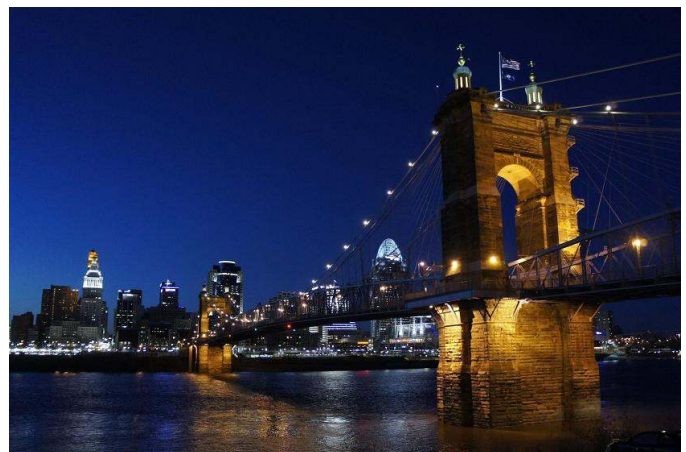

At this year's Driver's Meeting at the start, we dedicated this year's run to the river in memory of long-time CIR member, Ted Ogle of Columbus, IN who passed away in January of pancreatic cancer. The

Spring Color Tour was one of Ted's favorite events and he will be sadly missed.

We had 22 members in 12 cars and all had dinner at the fabulous Moerlein Lager House Restaurant and Microbrewery downtown Cincinnati, right next door to the Cincinnati Reds Great American Ball Park and on the banks of the Ohio River. We also had 8 rooms booked at the beautiful Cincinnati Marriott at RiverCenter in Covington, KY, directly across the river from the Lager House, and 15 of us took advantage of their great included Porsche Buffet Breakfast Sunday morning. This year the weather was finally perfect and could not have been better. Not only did we have members from Ohio, but Michael Trout and Mary Kolourotis also joined us from Urbana, IL and Lincoln Trail Region. Michael and Mary are dual members of CIR and join us for many events.

It was unanimously decided to return to the Lager House next year, for the food, beer and atmosphere are just the best! See you next year in Cincinnati!

CruZionsville 2013

WOW!

On behalf of the **Central Indiana Region Porsche Club of America** and the **Alzheimer's Organization** we say THANK YOU to everyone who participated in this year's CruZionsville event!

It was a beautiful day of sunshine, smiling faces and stunning Porsche cars!

Officially, we had **105 Porsche cars registered -- up 30%** from last year and our count was 98 Porsche's on the brick street! The final numbers on our gift to Alzheimer's is still being tabulated--as soon as the results are in, we will let you know!

We are most appreciative to all those who participated as volunteers in so many ways to make CruZionsville possible! It takes a lot of nice people doing a lot of different things.
