April 2015

President's Message

Spring is finally here and we have two Tech Sessions to start off the month of April! First is the Autocar Sports & Classics 1st Saturday Continental Breakfast and Tech Session at their shop on Indy's west side on April 4. Then we go up to Fort Wayne's north side to Dream Makers for our 2nd Saturday Breakfast with a catered breakfast and IMS bearing installation using CIR Membership Chairman Rick Campodonico's 911 Cabriolet on April 11. If the weather is nice, there will be an auto tour afterwards to Lake Wawasee. Also scheduled is a Breakfast and Tech Session on May 23 at Pete's Service Center south of Broad Ripple starting at 9:30 AM.

Our very popular Spring Color Auto Tour Weekend to Cincinnati kicks off our season of moving car events on April 18 & 19. You can go for one day or two and hotel room reservations were extended to April 1 and possibly longer. Some of the best sports car roads, restaurants and German towns in Indiana!

Next is our annual "Spring Brake" Driver Education at Putnam Park Road Course west of Indy and slots are filling up fast. Unsure about DE, come out for our free touring laps during lunch on Saturday and Sunday. No helmets required.

May brings our New Member Meet & Greet events to Tom Wood Porsche in Indy and Porsche of Fort Wayne on May 2 & 9, respectively. Want to find out more about your club, meet some of the officers and chairpersons and learn details of upcoming events, come to these events!

Our 6th annual Teen Street Survival is Sunday, May 3 at Franklin Township High School southeast of Indy and registration is open at www.streetsurvival.org. Do you know of a teen that could use some excellent preventive driving skills, including rain braking, steering and emergency maneuvers? Sign them up and see their smiles after they learn how to better control their own car in everyday traffic situations. It saves lives!

May 9 is the second Grand Prix of Indianapolis IndyCar Race on the IMS Road Course. CIR has 100 premium location race tickets for sale at their \$62 face value in Stand H, directly above Turn 1 where all the passing, hard braking and jockeying for position is done. You can't find better seats! Get yours while they last at www.clubregistration.net.

June 13 will be our 5th annual CruZionsville all-Porsche Charity Car Show supporting the Alzheimer's Association/Greater Indiana Chapter. It's a full day starting with breakfast, police escort into town, parking by model, unique trophies, style show, detailing seminar, vendor displays, gourmet restaurants for lunch, boutique shopping at its best and ending with a cocktail reception and dinner.

June 21-27 is the French Lick Porsche Parade, the first ever in Indiana and PCA's 60th Celebration! Be sure to read my "French Lick Porsche Parade News" in this issue for the latest news and updates. This Parade is shaping up to be one of the best ever and be sure to volunteer to show members from all over the country what Hoosier Hospitality is all about. As a thank you to our CIR members who volunteered, Bruce & Valerie Fleischmann, have graciously made their 4th of July Party at Geist Reservoir our CIR Parade Workers Party. All CIR members are welcome!

As always, details and registration for all the above events are available at cirpca.org.

How many of you will we see at the above events and the French Lick Porsche Parade? I'm hoping for record numbers!

Around The Zone

Greetings PCA Zone 4 Members,

I am pleased to be able to share some very exciting news with you. As you may have heard the Porsche Club of America has seen tremendous growth setting another membership record in 2014, and as a result, has had a very successful and profitable year. For the second year in a row, there is a surplus of funds that PCA will be refunding back to the regions. It is my pleasure to be able to inform you that each region will receive a one-time rebate subsidy of \$5.00 per primary member, which regions can utilize in any way they see fit.

This is perfect timing as most of the regions within our zone are preparing for the upcoming driving season. I am certain this new influx of unexpected funds will be a welcome addition to each of your regions, and will be used to improve a wide variety of activities throughout the year.

I recently travelled to Grand Rapids, MI, to attend Western Michigan Region's Winterfest 2015. During the evening, I presented to the region a number of items in recognition of their 55th Anniversary. In return, I received milk chocolate and dark chocolate Porsches from region President Mike Karluk. The following day, I attended their Morning After Brunch. It was an enjoyable time and a great way for them to celebrate this milestone. I would like to thank everyone in the region for their hospitality.

Be sure to check your local region's website and newsletter, as well as the Zone 4 website <http://zone4.pca.org> for the latest details on the many events close to you that are being planned. Also, consider attending other regions' events, such as:

- **Multi-Region Swap Meet** hosted by Porsche of Farmington Hills on Saturday, April 11.
- On April 11 **Allegheny Region** will be holding their All Member Dinner.
- **Ohio Valley Region** is hosting an Autocross at the Forest Fair Mall in Cincinnati on April 11.
- April 12 is **Mid-Ohio Region's** Autocross Beginner's School at Columbus Motor Speedway
- **Motor-Stadt Region's** Porsche People and Pizza is April 14 at Spagnoulo's in Okemos.
- **Maumee Valley Region's** King of the Hill Games of Skill III is April 18
- On April 18 join **Rally Sport Region** members for Time with Tim in Ann Arbor
- **Central Indiana Region's** Spring Color Auto Tour to Cincinnati is April 18 & 19.
- **Southeast Michigan Region** will hold their New Members Gathering on April 25
- Join members of **Western Michigan Region** on April 26 for their Spring Brunch at Cygnus 27
- May 1-3 **Northern Ohio Region** is hosting a DE at Mid-Ohio Sports Car Course
- **Michiana Region's** Michiana Car Show at Elkhart County Career Center is May 2

I look forward to having the opportunity of meeting each and every one of you as I visit each region throughout the year. If you have any questions or comments please feel free to contact me.

Thanks, Michael

French Lick Porsche Parade News from Bob Snider

I hope everyone got to register for this year's **60th Porsche Parade** in French Lick on June 21-27 at www.pca.org. It was challenging to say the least. PCA National and Parade Staff are keenly aware of the problems with the website and have promised the site and Parade Registration will be drastically modified and simplified next year.

Randy Faunce and I attended the **PCA Zone 4 President's Meeting** in Toledo in March. Several PCA National officers were present, including Past PCA President Manny Alban of Maryland, PCA Treasurer Aaron Ambosino of New York, new PCA Zone 3 Rep Vic Rola of Tennessee and Parade Facilities Chair Francie Kish of Michigan along with our own PCA Zone 4 Rep Michael Soriano. We also had two executives of the French Lick Resort attend and gave a video and verbal presentation on this year's Parade.

Here are some interesting facts: PCA National and Parade Staff wholly underestimated the unprecedented early interest in this Parade. They didn't know there would be so much interest. The contract for this Parade was signed in 2009 and it is nearly impossible to estimate attendance for a Parade that far in advance. The Parade Staff and PCA National estimate and then sign irrevocable contracts years in advance. It's a guessing game. The current Parade Facilities Chair has been handling Parade hotels and banquet space since 2009 (seven Parades) and was overall Parade Chair of the very successful 1989 Traverse City, Michigan Porsche Parade.

This Parade is breaking records left and right. All blocked hotel rooms at both resorts were gone in just 20 hours! They are now booking additional hotels in French Lick and Jasper (½ hour south). French Lick personnel are calling hotel wait list registrants and providing them with rooms at these hotels; 657 rooms are booked at both resorts during the peak days of the Parade. This is near capacity. The average stay is 4 ½ days, which is much better than normal. French Lick surpassed the highly successful and praised 2013 Traverse City Parade on June 21 with 872 cars registered in just four days and still counting! The Indianapolis Motor Speedway Driving Tours are sold out with 195 cars registered (45 on wait list) for June 23 and over 150 cars for June 24. The Patoka Lake Dinner Cruise also sold out.

Cook Medical Group in Bloomington has invested over \$600 million in the restoration and additional facilities at the French Lick and West Baden Resorts. 300 people signed up for Mrs. Gayle Cook's "Domes of the World" presentation on June 22, during the Concours.

She is normally used to only about 30 to 40 people attending her talks. It is probably going to be moved to the West Baden Atrium and they don't quite yet know how to tell her how many registered!

There will be a **CIR Parade Welcome Dinner** on Monday, June 22 at Hagen's Club House Restaurant at the Donald Ross Golf Course south of French Lick on Indiana 56, starting at 6 PM with a Cocktail Reception and Dinner at 7 PM. Order from their diverse menu, separate checks arranged with gratuity added. This immediately follows the Concours d'Elegance and will be a great way to meet all your CIR friends and it is a Parade Free Night with no banquets planned.

Thursday, June 25 will be the **PCA Zone 4 Party** (we are all members of PCA Zone 4) in The Pavilion at the spectacular Pete Dye Golf Course on top of Mt. Arie from 5 – 7 PM. Tom Wood Porsche in Indianapolis had agreed to sponsor this party and the French Lick Resort will also support this event – if we surpass the Zone 4 registration at the Traverse City Parade (541 cars). There will be a Zone 4 Party Trophy awarded to the Region (there are 12 in Zone 4) with the most percentage attendance at the party, based on each region's size. T-shirts are being made promoting the party and will be distributed to all 12 regions.

PCA National and Parade Staff are going all out for this 60th Porsche Parade. There will be a **"60 4 60" Historic Display** covering 60 years of representative Porsches from every year and model on display during the Parade. The Concours will have the greatest Historical Display of any Porsche Parade to date with the Porsche factory sending 4 to 5 cars from the Porsche Museum, the Ingram Porsche Collection in North Carolina shipping a trailer full of cars and many former Parade Manhattan Trophy winners will be on display. The PCA Museum of "60 years of PCA" will also be available during Parade Week with artifacts from previous Parades and the PCA Archives. A Parade not to be missed!

Brigitta and I, along with all of our hard-working CIR officers and chairpersons look forward to seeing you at this French Lick Porsche Parade!

SPRING BREAK DRIVER EDUCATION AT PUTNAM PARK

April 25-26

www.putnampark.com

There is still time to sign-up for CIR's only Driver Education Event of 2015 but you'd better hurry — some run groups are nearly full. Driver's Ed offers a great opportunity to enhance your driving skills and learn more about your car's performance capabilities. No matter your skill level, Driver's Ed will enhance your driving and YOU WILL HAVE GREAT FUN!

Putnam Park Road Course is a terrific circuit for both novice and experienced drivers. This 1.8 mile, 10 turn circuit is "novice friendly" in terms of lots of run-off space and a layout that can be learned quickly. And all novice drivers will have one of our super Instructors in the seat alongside you. For the "track hounds," Putnam's turns offer enough challenge to make the circuit a blast for expert drivers. Our classroom instruction will give you additional insights into car control and track driving.

To enhance your driving experience, we're also offering touring laps of the circuit during the lunch break. No helmets are required, and you can even have your family and friends ride along. This is, of course, at normal highway speed.

Response to this years' event has already been tremendous. We still have room for more, but we're already approaching the limit for the number of cars in some run groups, so get registered NOW to assure yourself a spot. With 4 weeks to go, we really encourage the A & B drivers to join us. Your support is key to the vitality of our DE program. We still have some garages and rental helmets available, but get your reservations in, thru the ClubReg website. As for the hotel, the Cambria Suites has nearly sold out on our reserved rooms, but they may have a few left. Cost for the entire weekend is \$350 (not including hotel).

And for the Instructors out there — WE NEED YOU! We have a ton of C & D group drivers registered, with more to come. These newer drivers represent the future of our DE program, and we need your support, so please sign up now!

For details on our Spring Brake DE Event: log onto CIRPCA.com, click on the Driver's Ed ICON.

Here you'll find everything you need to know, as well as a direct link to the Club Registration website: [//clubregistration.net/events/event-detailsPublic.cfm?eventID=6452](http://clubregistration.net/events/event-detailsPublic.cfm?eventID=6452)

Teen Driver Emergency Car Control Clinic

INDIANAPOLIS - Congratulations on your (or your child's) passing of the Indiana BMV exams to earn your driver's license! It means you know enough of the 'rules of the road' (use of signals, road signs, which lane to be in, 4-way stops, etc.) to NOT be a hazard to the others on the road with you. A couple questions for you: do you know what the foot pedal is supposed to feel like on really hard braking? Can you keep your car from spinning into a tree if you have to suddenly swerve around an obstacle? On wet pavement?

8:00 am

Franklin Central High School
6215 South Franklin Road
Indianapolis, IN 46239

We're hosting a Car Control Clinic, specifically designed for newer drivers (age 21 and under), to share the knowledge (classroom) and experience (driving drills) needed to enhance safety during emergency driving maneuvers (skills not taught in traditional driver's education). It's NOT about speed (no helmets), or timed performance (no trophies), or 'drifting', or... It's an open parking lot, with traffic cones, specifically set up to experience an emergency lane change, or skidding on wet pavement, or what to do on a brake-and-turn (and what NOT to do, too).

The drills will be performed in the student driver's daily driven car, with an experienced instructor in the passenger seat, offering driving tips and techniques that are reinforced during the classroom sessions.

The program was developed by Street Survival, an independent foundation established for the purpose of teen driving safety enhancement. The core of the lessons taught, the take-home booklets, powerpoint presentation. were designed by specialized staff of this foundation.

The Tire Rack, Michelin, Enterprise Car Rentals, Indiana Farmers Mutual Insurance and other corporations and private donors, provide the funding needed to keep the program current, and supply materials and support to the schools being hosted around the country.

We, the Central Indiana Region Porsche Club, are happy to organize the venue, provide lunch, and the volunteers and instructors to host this event.

Details and registration can be found at www.StreetSurvival.org. A quick summary: you must be age 16-21, you must have a valid driving permit that has been in your possession for at least 3 months (25 hours of driving time), the vehicle you provide must be current with plates/tags and pass an on-site inspection (no leaks, no bald tires, any tall vehicles {pick-ups, vans, suv's} MUST have working electronic traction control), and submit the \$75 fee to Street Survival (on-line).

Be ready for a day of awesome experience, and FUN!

July 4th Party & Fireworks Save the Date

Everyone in CIR is invited to our 2nd Annual July 4th Party and Fireworks on Geist Reservoir with a special invitation going out to those members who volunteered at this year's Porsche Parade.

The fun will start at 7:00pm. The Club will provide a picnic dinner plus beer, wine and drinks.

All you need to do is bring an appetizer or dessert to share, and maybe a lawn chair. The pool will be open, and we'll have some pontoon boat rides around the lake. The highlight of the evening will be the Blast on the Bridge Fireworks Show at 10:00pm!

We will all have ringside seats for the Biggest Fireworks Show in Central Indiana!

Admission is FREE, but we must ask that you register via the CIRPCA Calendar so that we may order the proper amount of food and beverages. If last year's party is any indicator, you will have a great time celebrating with your Porsche friends.

Look for details soon on the CIRPCA Calendar, but Save the Date!

Grand Prix of Indianapolis

INDYCAR RACE TICKETS! MAY 9, 2015 at 3:50 PM

These seats are up high in Stand H in the double letters in Sections 14 & 15 in our old Indy Formula One block we had for eight years. They are located at the end of the Main Straight, directly above Road Course Turn 1 where all the hard braking and jockeying for position is done. We are able to see all of the Main Straight, the cars coming out of the Pits, six Road Course Turns and a good portion of the newly extended Back Straight plus a huge Jumbotron right in front of us to see all the action on other parts of the road course we miss. You can't find better seats!

Practice is on Thursday (free) and Qualifications on Friday (\$20) and it is the opening event for the Month of May at Indy. The IndyCar Road Course Chassis Race Cars (different than Oval cars) run clockwise around the course opposite of the 500 and will be heading directly towards us for the start! ***It doesn't get more exciting than this!***

See you at Indy in May!

"Best seats in the house, don't ever change them!"

GO KARTING!

Manny Lozano

As an experienced Porsche Club driver education events participant and instructor, PCA DEs have its appeal, but running costs exceed most experienced driving enthusiasts' "fun budget."

Prospective motorsports enthusiasts should consider indoor/outdoor karting as an alternative to high-speed Porsche Club driver education events.

Budgets are 10% of PCA club racing budgets, and you experience 100% of the thrills of fender-to-fender racing without the risk of collateral damage.

There is a new indoor karting facility that just opened on the north-east side of Indianapolis called K1 Speed. Their karts are electric. For outdoor karting there are three options.

Whiteland Raceway, New Castle Motorsports Park (NCMP), and Motorsports Country Club of Cincinnati (MCC). Whiteland and NCMP offer rental karts. MCC is a members-only facility with premium RiMO rental karts.

I'm an MCC member, and am happy to show prospective members the facility. MCC also has an onsite karting expert and technical facility to provide fee-for-service care and feeding of your privately owned shifter kart see photos.

Give karting a try. You might find yourself thoroughly addicted like I am!
