President's Message

Greetings, fellow-CIR members,

There's so much coming up on the calendar this year you're going to have a time of it choosing which ones to attend! Nice problem for us car club members to have, right?

The e-blasts from Member Chair, Randy Faunce and Bob Snider, Historian, will keep you up-to-date on events like car tours, breakfasts, track events and more, but there's one very important event coming up that I wanted to personally bring to your attention.

That is, the Artomobilia event in Carmel, Indiana. This year, on August 24, CIR will play a bigger part than ever before, thanks to John Leonard, CIR member and Artomobilia event manager. John heard that the CruZionsville event was no more when CruZionsville Chairperson Steve Tarr and his wife, Alice, retired last year. John wanted to give CIR the opportunity to 'replace CruZionsville in spirit' by giving us Rangeline Road in Carmel, Indiana to line with Porsches. This a bigger presence than any one car marque has held at Artomobilia to-date.

But that's not all: he's releasing the funds from registered Porsche owners to the Indiana Alzheimer's Association's research arm just as we did with CruZionsville.

Now, to keep the dream alive, we need cars. Ideally, many fine examples in many categories, as has been Artomobilia's tradition.

Registration is now open at <https://artomobiliaweeked.com/artomobilia> A few CIR members are already registered! We have time (registrations will be taken until August 3), but the sooner the better for organizers to assess classes of Porsches to group-for-show.

At this point, start thinking about which Porsche(s) you want to register! And the next step, of course, might be, is a tune-up or spruce-up needed for entries to be show-ready?

CIR will be doing its own judging in what John calls the -event-within-an-event, **Porsche Palooza**. We'll let registrations guide us on appropriate categories to include for awards.

The CruZionsville contact list we received from Steve includes a list of last year's registrants and volunteers; they'll be contacted soon from the PCA e-mailer.

Region Presidents who attended the Zone 4 President's meeting in February will be invited, too. And, because we've had representatives come down from Chicago to attend CIR car shows, a call-out to Zone 13 will be sent to build up participation.

There will be plenty of volunteers needed, as there were with CruZionsville. Don't be shy! Let us know you're on-board, car owners and CruZionsville volunteers, and we'll find a spot for you. There will be parking, judging, registration coordination, and day-of-event volunteer needs, to name but a few.

Please join us for a great show for a great cause! It's still so true, as PCA founder William Jessup Sholar famously said, "It's not just the cars, it's the people...this is what Porsche is all about..."

You, CIR members, have an opportunity to show us the love and help us celebrate *both* the cars and the people!

Let's make this one to remember! Please contact me at CIRPCAPresident@gmail.com

So many years of Porsche. So many years of parts and service.

When you have a choice between new parts and genuine Porsche parts reworked and approved by Porsche, don't shy away from the latter. Not only are those parts more economical, they also preserve the environment and natural resources. Overhauling them consumes less energy and raw materials than new production. Such exchange parts are genuine Porsche parts—complete with two-year warranty. Exchange parts are available at Tom Wood Porsche.

We install all parts, new or exchange, with precision and care; using a complete set of specialized Porsche tools and computerized equipment. Tom Wood Porsche technicians graduate from the world's toughest automotive school: a dedicated Porsche technical center. They develop unrivaled expertise in all aspects of maintaining and servicing Porsche vehicles. Only technicians from a Porsche dealership can participate. Around here, that means only Tom Wood Porsche.

At Tom Wood Porsche you'll get the best technicians, using the best and most advanced tools, maintaining and servicing your Porsche. When would you ever want less?

Around the Zone By Lori Schutz

Hi Zone 4,

The month of February for me was back to back administrative PCA meetings across the country.

The weekend of Feb 9-10th, I was in Seattle, Washington for the National Staff Meetings. Why Seattle you ask? And on the weekend of the epic 100-year snow storm that virtually stopped the city? Who knew!! I was lucky that I got in before the snow started, and flew home before the 2nd wave hit. The weekend included an afternoon and morning of the Zone Reps having time with many of the National Staff Chairs as well as the Executive Council, followed by the annual National Staff Assembly. The professional staff at National PCA HQ continues to grow with the addition of a Marketing and Membership Chair, Jim Hemig, and Digital Architect Robert Forsyth. Look for major changes to the PCA.ORG website coming later this year.

Then the next weekend I was in Dallas, Texas for the PCA Club Racing All Hands meeting. Many of you are aware, I also serve as a National Scrutineer for the Club Race program. I was joined by most of the Scrutineer team, all of the Stewards and the Timing and Scoring teams. We discussed new program changes, rules changes and overall strategies to grow and improve the program. We have a few new technology tricks to use to evaluate correct engine compression specifications. Oh boy!

The next weekend I was in Toledo, Ohio, for the Zone 4 Presidents meeting, and Driver Education Planning Meeting. We were joined by our National PCA President-Tom Gorsuch. Also with us was the National DE Chair- John Krecek and National Awards Chair - Michael Soriano. Thanks to Chip Henderson for sharing the story of how Mid Ohio became 2017 region of the year. 11 regions were represented out of the 12, and we had a packed agenda with remote participation from National Marketing and Membership Chair- Jim Hemig, National Autocross Chair Kathy Thorp, and PorschePlatz queen Lynn Friendman. We reviewed the highlighted region events for 2019 in the Zone, – please check your calendars for these dates and check the region websites and newsletters for details:

Allegheny – Pittsburgh Vintage Grand Prix – July 19-21

Central Indiana – Automobilia Charity event August 24

Eastern Buckeye – Falling Water Frank Lloyd Wright Home Tour July 20

Maumee Valley 0 Auburn Cord Museum tour April 13

Michiana – 5 autocrosses throughout the summer at Tire Rack in South Bend

Ohio Valley – Porsche Corral at the Ault Park Concours June 9

Rally Sport – Yankee Air Museum Tour Summer, TBD

Southeast Michigan – Summer Picnic

Western Michigan -Gilmore Car Museum Red Barn Spectacular – August 3

Cheers – Lori

SPRING COLOR AUTO TOUR WEEKEND TO CINCINNATI

Morristown, IN to Cincinnati, OH

**APRIL 13 @ 11:00 AM – APRIL 14,
2019 @ 3:00 PM**

Spring Color Auto Tour Registration is now open at: <https://clubregistration.net/events/signUp.cfm/event/9762>

The weekend starts off with an optional 11 am Lunch at the very charming [Kopper Kettle Inn in Morristown](#) (19 miles or 30 minutes east of I-465 via US 52 East) – famous for pan fried chicken and their \$12 Saturday Lunch Special is chicken salad that includes a glass of champagne!

Registration opens at noon at the Inn and the required Driver's Meeting is there at 12:30 with first car out at 1 pm.

Three plus hours of some of the best sports car roads and historic German towns in southeastern Indiana ends with check-in at the Marriott (rooms available after 4 pm) and dinner at the [Chart House in Newport, KY](#) at 6:30 pm.

Please make your hotel reservations now to get our Porsche Club Group Discount at: <https://book.passkey.com/go/porscheclub2019>. After March 29, call the hotel direct at 800-228-9290 or 859-261-2900 and ask to be put in the Porsche Club Block on a "space and rate available basis".

This year we are going upscale again with an optional Saturday evening dinner at the fabulous [Chart House Restaurant](#) in Newport, Kentucky.

If you have never been to a [Chart House Restaurant](#), don't miss this chance! They are normally only located in resort areas and are famous for their fresh seafood, steaks and premier service.

We will have a private dining area with wonderful views of the Ohio River and Mt. Adams with a set menu of 4 entrée choices, salad, choice of dessert, soft drinks, coffee & tea service, fresh breads & chef's selection of starch & vegetable all for \$44/person plus tax, banquet fee & gratuity (\$55.50/person total) – payable in advance only at www.ClubRegistration.net.

Sunday starts with the hotel-included 9 am Sunday Buffet Brunch with checkout at 11 am, Sunday Driver's

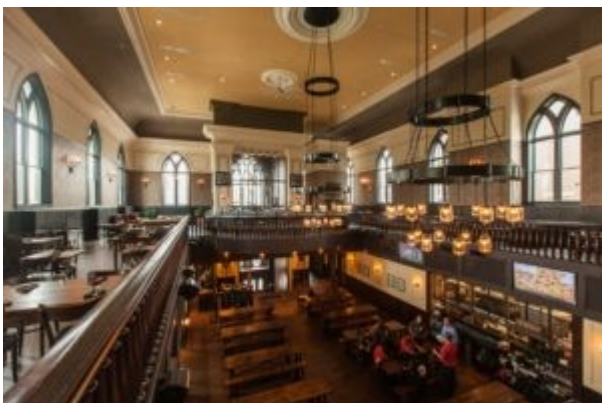

Meeting at noon with Sunday Auto Tour to [Spring Grove Cemetery & Arboretum](#) for their annual "History in Bloom" event.

Spring Grove Cemetery & Arboretum's "History in Bloom" - What is "History in Bloom" you ask? Once a year in the spring, Spring Grove Cemetery & Arboretum (2nd largest cemetery in US) has a special event where docent guides dress up as some of the more famous "residents" of their historic 150 yr. old cemetery.

After Spring Grove, we venture down to Taft's Ale

House for a late lunch at 2 pm in an amazing old German church. Located in the Over-the-Rhine Historic District. it has been converted into a brewpub with great beers and food (try the tri-tip steak sandwich!).

We should all be done on Sunday by 3:00 pm with only a 90 minute (90 miles) drive back to I-465 and Indy.

Register for the Auto Tour & Chart House Dinner at:
<https://clubregistration.net/events/signUp.cfm/event/9762>.

And be sure to sign up for all the Event Options there you plan to participate in, so we can tell the three different restaurants how many to set up for.

If you prefer to pay by check, you can mail me a check for both made out to CIR/PCA to:

Bob Snider
 501 N. Meadow Wood Drive
 Muncie, IN 47304

We hope to see everyone in Cincinnati for a fantastic weekend! Go for one day or two.

2019 SPRING BRAKE DRIVERS EDUCATION AT PUTNAM PARK

APRIL 26 - APRIL 28

Sponsored by TOM WOOD PORSCHE

CIRPCA Spring Brake Driver Education
[Click here to Register via ClubRegistration.net](http://www.clubregistration.net)

The Central Indiana Region of the Porsche Club of America is pleased to announce an exciting 3 day track event at the newly repaved Putnam Park Road Course, in Mt. Meridian, IN, on Friday – Sunday, April 26 – 28, 2019. Saturday and Sunday will be a traditional Driver Ed program, open to drivers of all levels, driving any make of vehicle, from 1st time track drivers thru advanced drivers.

Friday will feature open lapping for advanced drivers (those who have been cleared to run in a solo run group for a previous event).

Putnam Park has always been a great track for both novices and advanced drivers, but 2019 should be especially exciting because Putnam Park experienced some small pavement issues in 2018 with the last repave and because of this, has recently undergone ANOTHER COMPLETE REPAVING OF THE ENTIRE TRACK!

In 2018, participants noticed far less tire wear than the previous surface. In addition, wet weather traction is outstanding!

Friday, April 26th will be open for any advanced drivers, who have previously driven in either the Instructor, A or B groups with CIRPCA, or other advanced driving groups in other organizations, who do not require an Instructor.

We anticipate between 3 – 4 hours of open track time for these advanced drivers. What a great way to enhance your skills, with lots of time on a less crowded track!

As always, our Saturday and Sunday DE event, features lots of track time, along with classroom training, to ensure everyone goes home a better driver.

It is open to all licensed drivers, 18 and over, driving

any make vehicle.

Membership in PCA is not a requirement! Instructors will be provided for all drivers at the beginning or novice levels.

As always, participating vehicles require the completion of a Technical Inspection form by a qualified mechanic (inspected and signed no early than 30 days prior to the event) before presenting the vehicle at the track for final inspection.

Final on-site tech inspection will be available on Friday morning at the track, and again Saturday morning at the track.

Drivers must bring their completed and signed tech forms to one of the onsite tech inspections. Tech forms are available on the registration website and also on the CIRPCA website by clicking on the Driver Ed icon. More details will be posted at a later time.

NEW PCA REQUIREMENT FOR 2019 – regarding 5 and 6 point harnesses and HANS devices.

New for PCA DE events for 2019, if a car is using 5 or 6 point harnesses, the driver and potentially any instructor or student passenger, must be using an appropriate HANS device and HANS equipped helmet.

The Chief Instructor will make sure that instructors assigned to student vehicles with harnesses have the appropriate equipment.

If you are signing ups and your vehicle has 5 or 6 point harnesses, please be aware that you will be asked to show your HANS equipment at the onsite tech inspection.

Student Registration: Registration is via www.clubregistration.net. Search for Putnam Park events, and the dates of April 27-29.

If you are new to Club Registration, you will first need to establish an account (no cost), and create a personal

profile, which includes your relevant driving experiences.

The event fees are as follows:
Cost for the 3 day event (advanced drivers) is \$600.
Cost for the Saturday – Sunday event for all students is \$425.

CIRPCA Approved Instructors may register for Saturday and Sunday for \$125.
One day may be purchased for \$250.

Instructor Registration: Anyone registering to instruct must be an approved CIRPCA instructor. Questions here can be directed to the registrar.

There may be some time Friday and during the weekend to evaluate and coach advanced drivers that may be interested in instructing in the future.

Anyone interested can please reach out to our Chief Driving Instructor – Doug DeArmond at douglas_dearmond@yahoo.com.

Helmets: Only Snell certified helmets, carrying a 2010 or 2015 sticker, will be allowed. A limited number of rental helmets are available, via the clubregistration website at \$65 for the entire weekend.

Garage Rental: a limited number of single bay spaces are available for \$150 for the entire weekend. All garages are 1st come, 1st served, and may be reserved via Clubreg. Vehicles can be left in the garage for the weekend and there is power & compressed air available.

Host Hotel:
The host hotel will be the Holiday Inn – Cloverdale. A block of rooms has been reserved under the code “PCA”

for this weekend (Thursday, Friday and Saturday nights) with the discounted rate of \$114.99. To reserve your room, contact the Holiday Inn:

Holiday Inn Express
1017 N Main Street
Cloverdale, IN 46120
T: 765-795-5050

Onsite Tech inspection will be available Thursday evening at the Holiday Inn Express.

Details and timing to follow. Onsite tech will continue Friday at the track and Saturday morning for weekend only participants.

Cars can be left at the track Friday for the weekend, so if you are attending Saturday and Sunday you can make things easier on yourself by coming Friday before track shutdown and completing your registration and tech inspection!

Just a short hello everyone!

Rob and Judy Fike here from the CIRPCA southern-most outpost in Gulf Shores, Alabama.

Having withdrawal from driving activities, we joined some members of the Sonnenschein Region for a driving tour on February 9th. (SONPCA)

This tour has not only some beautiful Porsches, but actually ALL area car clubs are invited to come out, and it's huge!

As you can see from the pictures, there are cars of every flavor. Even a lookalike for our Ocean Blue 996 cab. The parking area was full of great machines. Ford GT, Jaguars, Mercedes Bens, VW's, MG's, Mustangs, Corvettes, etc., etc.

We started on the north side of Pensacola, Florida, made about a 50-mile drive through the countryside going back and forth over the Florida/Alabama state line numerous times. I didn't know there were any hills in the Florida panhandle.

There are!

Great curvy roads, good pavement. Of course, we were doing some "spirited" driving. For our part we're driving Judy's Ford Taurus Wagon. Not exactly sporty. But I found that we could hang with the Porsches better than one of the guys in a Mustang. Go figure.

The tour ended at Ed's Catfish House in Atmore, Ala-

bama. As they can seat over 250 it worked great. The food was heavenly! I ate way too much for lunch, so I'll just have to diet more tomorrow.

That's all for now, can't wait to see everyone next month.
